

## Fyfe - Thronsdon oppose increase in Mayor's salary

The temperature rose a few degrees in the Town Hall Annex during the Council meeting on Monday night when a proposed pay increase for the mayor was under discussion. The strongest opposition to the increase, from \$8,000 per annum plus \$4,000 for expenses to \$13,332 per annum plus \$6,668 expenses was voiced by councillors Fyfe and Thronsdon who strongly argued that the increase was not justified.

Coun. Myrna Fyfe asked for an assessment in terms of benefits which would be received by the Town of St. Albert by the increase and Mayor Plain stated that the benefits of his activities can only be judged by the council and by the electorate. He offered that the position of mayor of a multi-million dollar public corporation, such as the Town, is one which involves between 60 and 70 hours per week of

work for a competent job to be done. Coun. Fyfe persisted with this point asking if it was on this basis which the mayor justified pursuing the role of chief executive of the town. Mayor Plain stated that this was an indication of the difficulty involved in doing a competent job as mayor only on a part time basis.

Mr. Plain suggested that one would have to be wealthy if not rich to extend the time necessary to the tasks without being provided with an income. The mayor stated that if one was in such a situation a nominal remuneration would be sufficient. "If indeed you are in any job of any merit, requiring any degree of competence or exercise of skill, that job in itself will require some considerable time and effort. The trade off is obvious," he stated.

Mrs. Fyfe persisted stating that a management

review conducted last year made no reference to increasing the time spent performing the duties of mayor. She suggested that before any support is given to this proposal an analysis should be conducted by a creditable firm. To this point Mayor Plain suggested that the councillor perhaps did not have a full understanding of the duties involved in the position of the mayor she should follow the mayor as he proceeds on his duties. He told Coun. Fyfe she could commence the survey Tuesday morning at nine o'clock. Mrs. Fyfe stated that she was not satisfied with the answer Mayor Plain has supplied to justify extending the time spent in performance of his duties. The mayor responded that his role required whatever amount of time which he judged necessary for the performance of those duties required of him.

Coun. Thronsdon stated that he felt it necessary to express his own view on the matter noting that he was not in favour of any increase in the salaries for mayor, deputy mayor, or councillors. He stated that he felt it poor timing to bring the matter forward at a time when negotiations were underway with the unions of the Town employees and also stated that he did not believe that the people of St. Albert had given a mandate for anything more than a part time mayor.

Councillors Smith, Breadner, Wetsch and Lukay offered support to the proposal to increase the mayor's salary. Coun. Wetsch emphasized that the salary increase did not represent a whim of thought. He suggested that the matter be adjourned for a two week period to allow the public to express views on the matter and noted that he was

Continued on page 2.

KAREN LETOURNEAU, 28, of St. Albert is the picture of radiance as she holds St. Albert's New Year's baby, Rachelle, born January 2 at 12:12 p.m. in the Sturgeon General Hospital. The baby weighed 7 lbs. 1 oz. and the proud father is 32 year old Ray Letourneau. Mrs. Letourneau pointed out that Rachelle, her second baby, weighed exactly the same as her 2½ year old daughter Renee the day she was born - 7 lbs. 1 oz.

## Decision deferred in conflict of interest

A motion by Coun. Barry Breadner to have the matter of a possible conflict of interest involving Coun. Rod Thronsdon dropped was defeated by a vote of 1 to 5 at the meeting of council held on Monday night.

Coun. Wetsch a lawyer summarized the feelings of the rest of the members of council when he stated that they should either take the matter to court or simply do nothing. "I do not think we should take a positive step to drop the matter because that may put an objective value

on the matter," he said. He did not feel that there was a legal obligation to do something on the council level, though he stated that there may be places upon the council, and noted that it is usually through ratemayer action that these matters end up in court, and at this time no ratemayer has indicated that such action was to be pursued.

Council was in sympathy, with all members stating that a possible conflict of interest was dubious in this case. Coun. Fyfe expressed her

willingness to have the matter dropped or following the suggestion of the mayor that the matter be tabled until such time as the provincial government reviewed the indirect conflict of interest clause within the Municipal Government Act. Mayor Richard Plain stated that he would be in favour of seeing the matter tabled until such time as the Legislature clarifies conflict of interest legislation either one way.

Coun. Lukay said he was

## Town saves \$300,000

St. Albert's Town Council accepted a tender from N. S. Pawliuk and Son Contracting Limited for the construction of the second water supply line from the City of Edmonton to the Town of St. Albert at a special meeting held December 23, 1974.

The Pawliuk tender was the lowest of seven tenders received for the project (\$300,887.25) while the tender received from Standard General Construction (BACM) was the highest (\$985,608.00).

Stanley Associates Engineering, consultants for the town in this matter, had made a pre-tender estimate sometime ago which app-

raised the total cost of the project at \$1,075,000.00. Based on the tender accepted, the cost of the town's pre-ordered material, and an allowance for engineering and contingencies, the estimated total cost of the project is now \$783,000.00. The savings to the town is about \$300,000.

Mr. R. L. Byron, Town Administrator, told the Gazette that the saving is "pretty good stuff" and that the project will be completed by late spring as had been anticipated.

In a letter received from Stanley Associates following receipt of the seven tenders

## Cuts stands pat on smoking restrictions

The contentious question as to whether smoking should be permitted in school premises did not prove to be as hot an issue as previously expected at the regular meeting of the St. Albert Protestant Separate School District No. 6 held on December 18, 1974. Contrary to an article in a recent edition of the St. John's Edmonton Report, the smoking policy had not previously

been an agenda item although a heated exchange did occur a month or so ago between two trustees concerning the parliamentary procedure of introducing a notice of motion to an amendment relating to this subject.

The two trustees concerned were Dr. W. Cuts, a devout anti-smoking crusader, and Mr. Don Munro, who takes a more liberal stand on

the matter. At that meeting, Mr. Elmer Gish, superintendent, requested a minor amendment to the smoking policy. Dr. Cuts gave notice of motion to amend and said he would prepare a rationale. The trustees decided to take a survey of opinions held by the staff of the district.

Dr. Cuts proposed withdrawing smoking privileges, which are presently subject to the superintendent's re-

Residents with Christmas trees to dispose of are asked to put them out for pickup by the Public Works Department of the Town on Wednesday, January 15.

Or they may be taken to the south side of Mission

Avenue, across from Father Jan School and left on the site previously occupied by the Teen Centre. This will become the scene of a glorious bonfire next month when the Breakfast Lions have planned a winter

carnival.

To kick off the event the Lions are planning a torch parade on Feb. 14 from Grandin Mall, down Sir Winston Churchill Avenue, down Perron Street to Mission and the Christmas tree pile.

On Saturday, Feb. 15 hockey action at the arena will see three tournaments on the go, one for four Shaver teams, for four juvenile teams, for four oldtimers teams. The Figure Skating Club will also be putting on a show at the arena in conjunction with the carnival and the Lions are hopeful of making arrangements for some snowmobile activity and some special guests. Lion Don Merrill is heading up the carnival committee.

Health grounds and influencing students not to smoke are the prime reasons for Dr. Cuts' motion and he feels it discriminatory to allow smoking privileges in some areas, such as administration offices, and not in other areas.

Staff reaction to the survey was fairly mixed and dictated to some extent by whether the individual polled was a

Continued on page 2.

## water line

Continued from page 1.  
The consultants state that they had reviewed the tender price with the contractor and had been assured that nothing was overlooked in their tender. "They are willing to undertake the work in question for the prices submitted," the letter states. The consultants report that they have also checked into previous projects completed by N. S. Pawluk and Son and are satisfied that they have the capability of completing the work on this project.

Mayor Richard Plain commented to the Gazette that there appears to be a down turn in the construction industry which the town was able to take advantage of by pursuing the project in the manner council had decided to follow. The mayor pointed out that by separating the construction aspect and the materials needed for the project, which are being purchased by the town, a smaller contractor turned out the lowest bid.

The mayor commented that he was astounded with the bid received from Standard General Construction which was three times the lowest bid and nearly \$200,000 more than the second highest.

Mr. Plain said that the only problem which still remains in the question is with the City of Edmonton

and completion of the work in the Castle Downs. He stated that if this work is completed on schedule St. Albert's second water supply line will be servicing this community by early June.

The mayor conceded that he hoped that we do not have a dry May.

## conflict of interest

Continued from page 1.

not convinced of a conflict of interest blatantly committed. Rather, he stated, the action of Coun. Thronson to vote and discuss a motion that a share of the supplementary tax assessment be paid to the school boards actually represented the setting right of a wrong action done by the town.

Mayor Plain said that he would be perfectly willing to table the matter pending provincial clarification, and hoped that people in town would have "the good sense" to leave the matter alone in the meantime.

Mr. R. L. Byron, town

Continued from page 1.

administrator, advised that it would be better to do nothing than pursue a course of action which was not under the jurisdiction of council.

"Council now," he stated, "has the flexibility to take whatever action it may feel advisable or desirable in the light of the information which may be forthcoming as a result of the action in the Legislature or on the advice of whatever information may be forthcoming from any other source."

Coun. Smith moved that the meeting move on to the next item on the agenda. The motion passed 6 to 0.

## smoking restrictions

Continued from page 1.

smoker or a non-smoker. One militant non-smoker wrote a short essay on the horrors of smoking as he saw it while another used the question-

nair as a vehicle to attack the manner in which the previous survey on school opening and closing times was handled. Generally there was a large area of middle ground where smokers and non-smokers could agree and the majority favoured staff smoking arrangements being handled by each school rather than by board policy or regulations.

Mrs. Shirley McCaffery echoed an opinion put forward by many district staff in commenting that perhaps the board had wasted the superintendent's time in requesting the survey. Dr. Cuts reacted to this suggestion by saying that the matter was a very important issue and not a waste of time. He hoped that the recommendation which Mr. Gish will present at the next meeting will not be too liberal in its attitude toward smoking.

Mr. Munro said that regardless of the importance of the matter, he did not consider it to be an issue that the board should deal with. He feels the board should not dictate to teachers when and where they may smoke.

Dr. Cuts countered by suggesting the board would be shirking its duty if the policy were to be revised in what he considers to be the wrong direction.

## mayor's increase

Coun. Smith pointed out that she had received reaction from the public to the proposed raise in pay and that she was very much in favour of putting the matter before the public. She noted that the salary has been a subject of the calibre of person running for the position (she pointed out that she was not making reference to the present incumbent or any other). She conceded that it is very difficult for a person to give up employment to pursue a role in government without a living being provided. Another point she stressed was the fact that the civil service is faced with an enormous quantity of work and that the mayor's salary is not the position of mayor are not those normally assessed to be part of the work load of the civil service. She referred to "thousands of dollars worth of ideas" put forward by the mayor in his role as a public official which represent a great deal of benefit to the town. She cautioned against expecting an earnest effort from the mayor without assuring him an adequate livelihood in return. The point which Coun. Smith pointed out was the matter of the salary paid to former mayors which she stated represented figures considerably higher than the amount called for in the proposal at hand. Coun. Smith stated that she considered these salaries should be made public so that the citizens would be in a position to assess the increase proposed at this time in the light of pay given previously without the public being aware of it.

Coun. Lukay noted that the town has grown to the extent where a full time mayor is warranted. He pondered if the concern was one of over-spending or rather concern with having a full time mayor receiving a suitable salary. He took issue with the point raised by Coun. Thronson regarding the negotiations underway with the unions. The unions would be fully aware of the fact under consideration regarding the increase in salary for the elected officials," said Coun. Lukay.

Mayor Plain stated in defence of the proposal that the salary increase does not represent a get rich scheme saying that he "must make a living." The mayor also pointed out that it was advantageous to have the salaries laid out so that the remuneration can be identified. He pointed out that the salary proposed was such that he would have adequate money to support his family as well as meet the demands placed upon him. He further noted that the salary as presently set out was discriminatory because only someone with a sufficiently large income to support the two duties (that of supporting a family and serving public interest) could consider taking out the position seriously. He clarified the full time/part time mayor question by stating that he would only be serving in a full time capacity during the period when he would not be occupied in his regular role at the university. He explained that a portion of his time would be spent at the

university during the period between September and May (allowed for without causing a loss of rank at the university). He pointed out that his increased efforts had already paid off in terms of benefits to the town specifically referring to the neighbourhood recreational complex in St. George one of Akinsdale ("the like of which has never gone in, in the history of this Town"). He assured that such "better deals" were the result of negotiations, research, time, and discussion resulting in benefits to both those residing in the Town now and those coming in. He identified the focus of the negotiations for the "better deals" was found in the role of the mayor. He reflected that such negotiations should be continued in the future.

"I think," Mayor Plain stated, "we all should have a look at what is going on because there is a very clear account. You have to decide for yourself in the final analysis if you want a chief executive officer with the time to do a job of running this corporation up against the full time people in the private corporation."

Nearly 20 people were in the audience at the meeting

and Coun. Smith moved that these individuals be given the opportunity to react to the proposed pay increase for the mayor. The motion carried 7 to 0 and the group was informed that they could comment following the coffee break. (Former Mayor, Ray Gibbon and his wife were noticed in the audience). No comments were forthcoming from the group in the gallery.

Coun. Breadner had moved that the Mayor's salary be increased and Coun. Wetsch had made the motion regarding the councillors' remuneration (which was not discussed at that time). Both of these motions have been tabled for two weeks so that the public may respond to the proposals.

The proposed councillors' remuneration is \$3,000 per annum plus \$1,500 expenses. The remuneration paid previously to this time was a figure of approximately \$4,000 not including a 55% inflation factor, therefore there is not a substantial change in their remuneration. The practice in the past has been to place the councillors' salaries at \$24 per meeting and expenses of \$12.00 (effective September 1st, 1973).

## P. KOLBA SUCCEEDS C. R. GILBERT ON WORKERS' COMPENSATION BOARD

C. R. GILBERT

P. KOLBA

The Workers' Compensation Board announces the retirement, effective December 31, 1974, of Charles R. Gilbert, senior member of the Board. Mr. Gilbert was prominent in Alberta's labour movement for many years prior to 1957 when he was appointed a Commissioner of The Workers' Compensation Board. He is a member of the International Union of Marine and Shipbuilding Workers of America and was the first president of the Alberta Federation of Labour which he was instrumental in organizing in 1956. Mr. Gilbert is an Officer Brother of the Order of St. John.

Mr. Peter Kolba succeeds Mr. Gilbert as a member of The Workers' Compensation Board. He brings to his new position a lengthy experience in labour organizations and a deep understanding of the problems of disabled workers. Since 1973 he has been full-time Alberta representative for the Canadian Food and Allied Workers' Federation of Labour prior to his appointment. Other members of the Workers' Compensation Board are Roy H. Jamna, chairman, and John H. Hells.

## George Hodgson dies in accident

George Thomas Hodgson, formerly of St. Albert, died Sunday, January 5, as the result of a fall from a roof onto a picket fence while working on a construction project in Hanna, Alberta. He was 35 years old.

Prayers will be said tonight at 8 p.m. in St. Albert Roman Catholic Church, and Father Jacques Joly will conduct Requiem Mass of Resurrection on Thursday morning in the church.

Mr. Hodgson is survived by his wife Karen; three

daughters; Colleen, Stacey and Carmen; five brothers: Vital of St. Albert; Neil, Medicine Hat; Fred, Edmonton; Donald, Moose Jaw and Henry of St. Michael; three sisters: Mrs. Lawrence (Genevieve) Benoit, Edmonton, Mrs. Jim (N.) Bins, London, Ontario and Mrs. Doug (Wilma) Turkington, St. Albert.

He was a former member of St. Albert Saints Baseball Club and always interested in hockey.

On December 18, 1974, a group of about 30 St. Albert youngsters were invested into the Beavers, a branch of Scouts for boys between five years old and Cubs. The boys are known as "Eager Beavers" when they have been invested and they participate in a program designed to stress sharing and Scouting ideals.

## Thirty Beavers Invested

The growing demand to have a Scouting program for those boys too young to join Cubs has led to the institution of Beavers, a program for boys five years to Cubbing. The Beaver program was chosen to harmonize with the spirit of nature, to emphasize group experience, and to lead naturally into the Wolf Cub program.

On Dec. 18, 1974, about 30 St. Albert boys were invested as Eager Beavers in the Lacombe Park Beaver Colony the first group to be invested. The Colony was started in October of last year and the group of boys

represent the first group to be invested.

Mr. Jack Hearfield, one of the leaders and organizers of the Lacombe Park Beaver Colony, told the Gazette that the boys start out in Beavers as Baby Beavers or Kits which is the start of the process to investiture. The boys must learn the promise (I promise to love God and to help take care of the world), the Beaver Law (A Beaver has fun, works hard and helps his family and friends), and the basic ceremonies of Beavering before being invested.

Since the formation of the Lacombe Park Beaver Col-

ony, interest has been growing in the program elsewhere in St. Albert. Mr. Hearfield says that other areas of St. Albert have expressed interest in forming their own Beaver Colonies. "Any pe-ple who would be interested in having their son join Beavers can contact me," says Mr. Hearfield. "The program involves aspects of the Boy Scout movement and works towards the same ideals." The watchword for Beavers is sharing. The philoso-

phy behind the movement is that if a young boy learns to love and share, then he will tarry the lesson through life. Team effort is also part of the Beaver philosophy.

Anyone interested in having their son join the Beavers is asked to call Mr. Jack Hearfield at 459-3549 in the evenings.

The Lacombe Park Beaver Colony is sponsored by the St. Albert Breakfast Lions and they meet every Wednesday at 6 at Father Jan School.

## Arts & Crafts winter courses

In addition to a full slate of winter classes, commencing the first week of February, the Arts and Crafts Guild is offering several weekend workshop courses. A successful batik workshop was held this past weekend. This is your last chance to register for teen and adult jewellery making, taught by Linda MacPhee, and being held Friday, Jan. 11, 7 - 10 p.m. and Saturday, Jan. 12, 9:30 - 12 and 1 - 5 p.m., at the Arts Centre. And also for teen and adult puppetry, taught by

Don Mills and being held Saturday, Jan. 18, 9 - 12, 1:30 - 4:30 and Sunday, Jan. 19, 1 - 4:30 at Grandin Clubhouse. The fee for each of these courses is \$10 and includes supplies. This is a great opportunity to lick post-Christmas blues with a "total immersion" course on a favourite subject.

Registration for the 10 week classes beginning in February will be held at Sir George Simpson School on January 19 for children's' classes and January 26 for adult classes. The Guild welcomes ideas and suggestions regarding classes and is always interested in hearing from someone interested in instructing - call Lois Folkins at 459-7344. And watch the Gazette for an ad describing the line-up of courses.

## No real conflict

While the question of Councillor Thordson's good judgement might be suspect in making a motion that the Town return to his employers, District 6 School District, monies collected for school purposes, we believe his integrity is not in question.

The long arm of the law is a different matter, and there lies Council's problem. The province was recently reported to be considering legislation which would state in effect that a person in public office would be in conflict of interest only in a situation where he could derive direct financial benefit.

However Mr. Justice Wm. Haddad, in handing down his decision in the case of Chuck Knight in Fort McMurray, argued "somewhat differently. If it can be shown that there is "Cause for Bias" then there is conflict of interest involved, said the judge.

It may be that it will be quite some time before Council has clear indication of their legal position in the situation of Councillor Thordson.

## Mayors are underpaid

The move to raise the remuneration of the mayor to \$20,000 in salary and expenses will undoubtedly cause mixed and emotional reaction from the residents over the next two weeks before the question comes to a vote at council.

It is to be hoped that most citizens will consider the matter from all sides and decide whether this is a good investment of public funds. Mayor Plain points out quite correctly that he has already in fact saved \$350,000.00 in the new agreement with Qualico Developers under which they will provide a recreation complex in Akinsdale subdivision. It is also true that the mayor's hours have been increased and that he had no way to determine prior to his election what amount of time he would require to put in to accomplish the goals he set himself as mayor.

As Chief Executive of the Town it is the responsibility of the mayor to **KNOW** what is going on in the administration - and if things went awry in that department he would have to take the responsibility for the situation.

If the people are to participate in government at any level should they not demand that key representatives, such as mayors, be as fully informed as the administration? People do not have a vote on administrators, nor is their work accomplished in the public eye.

In their work Mayors must deal with developers and professionals in the \$50,000 and up bracket. Would the public not be better served to attract into office and be able to choose a man of similar capabilities at the polls?

The mayor has the support of four of the six councillors. If the matter is settled in favour of the \$20,000 - not a large item by any means in the town's budget, St. Albert will be well served in this term of office and in the future.

It is time to take this step in this town and in fact in many of the larger centres throughout Alberta. Otherwise the people will not get the kind of performance they require from a chief executive officer.

# from the Mayor's office

## SNOW REMOVAL

The unusual weather conditions which existed prior to the week before Christmas were ended by a 9 to 10 inch snowfall which inconvenienced all of the residents in central and northern Alberta. It is useful to outline the manner and way the Town of St. Albert handles its snow plowing and clearing operations.

The first phase in the operation is designed to ensure that snowplowing is carried out on (1) all bus routes and the hospital area, (2) arterial, boundary and collector roads, and (3) residential streets. The objective is to provide vehicular access to roads as expeditiously as possible.

The second phase is centered around picking up and removing snow from (1) the bus routes and downtown area, and (2) "drift area" and places where unusual accumulations have occurred. Bus stops are shovelled out and snow is removed from all intersections where the "build-up" begins to interfere with sight lines.

After phase one and two are completed, the snow is pushed back to the width of the remaining roads. At this time the Town opens driveways which it has filled in. Prior to this time in the operations, each citizen must shovel the snow from his own driveway.

The last storm cost the Town around \$16,000 or approximately \$1,600 to \$1,800 per inch. It is hoped that we can improve on our efforts and keep within "reasonable" budgetary limits. We are analyzing the complaints that we have received. It is hoped that residents will continue to provide us with their suggestions since this is the only way we can continue to operate one of the most successful and efficient snow clearing and removal systems in the Edmonton Metropolitan area.

## COUNCIL REMUNERATION

Two motions dealing with the manner and way as well as the level at which the Councillors and Mayor are remunerated will be dealt with at the next council meeting on January 20, 1975. The proposals are as follows. First, it is estimated that the present payments of \$24 per meeting plus \$12 expenses for councillors amounts to an average outlay per councillor of approximately \$4,000 per year. It is my opinion that the per meeting fee should be changed to an annual lump sum amount paid on a monthly basis. The reasons are as follows: (a) Each citizen should be able to easily determine the amounts paid to each councillor, (b) the unnecessary administrative expenses involved in processing numerous small claims should be eliminated, and (c) the discriminatory aspects of the present per meeting method of remuneration should be removed. In effect, all types of meetings regardless of whether they are held with one citizen, volunteer groups or are deemed to be "approved" in the sense that payments are authorized should be considered to be of equal importance. The present method of paying councillors does not recognize this fundamental principle of democratic government.

The second motion deals with an increase in the mayor's remuneration. The proposal is that the present payment of \$8,000 salary plus \$4,000 expenses per annum for what was purportedly a "one man time job" should be increased to \$13,330 salary plus \$6,670 expenses for a two-thirds position. In effect, the proposal is to increase the salary from \$12,000 to \$20,000 per year.

It is useful to note that if the same standards of payment were applied to the two-thirds time appointment as prevailed in past years that the salary would be increased to \$16,000 per year solely because of the increased time commitment. If, in addition, the mayor's salary was increased by the same amount as Councillors (12.5 per cent to account for inflation), the salary would amount to \$18,000. The present proposal is that the payment should include an additional \$2,000. This is partially in recognition of the fact that the position may well have to be converted into a full-time position within my term in office as well as in recognition of the fact that the previous council froze the former mayor's salary for a period of time.

Both myself and members of the council would welcome the input (both verbal and written) of the residents of St. Albert before we finalize this matter. It is my personal belief that the public interests in a community of this size cannot be fully represented unless at least one member of the local

government has the freedom to devote full or near full-time efforts to overseeing the operations and formulating the policies which govern the action of the multi-million dollar public corporation called the Town of St. Albert. It is also suggested that by increasing the mayor's salary to a substantial level we will give the electorate the opportunity to select their mayor from the widest possible cross section of the population. As matters presently stand, many highly competent people are prevented from running for municipal office simply because of the fact that they are not rich, semi-retired or a member of a select group of occupations and professions who can afford to stagger their office hours or lose a substantial portion of their livelihood. It is suggested that the key leadership position in the community should be open to all residents.

R. H. M. Plain  
Mayor.

**EDITOR'S NOTE:** In accordance with Gazette policy space has again been offered to the mayor for a regular column on town affairs. The previous mayor did not choose to make use of the offer and the space was last used by Dick Fowler when he was in office. It was also suggested that the column might from time to time be used by a councillor involved in a special area of interest.

## Famous skating team coming to St. Albert

On Saturday, January 19, the St. Albert Figure Skating Club will host "An Afternoon with the Sopers." Barry and Louise Soper, Canadian Ice Dance Champions for the last four successive years and ninth place couple in the World Figure Skating Cham-

ionships will perform in our Arena. They have competed nationally and internationally for eight years and performed in rinks from Victoria to Boston and from Whitehorse to Sun Valley, Idaho, in North America and in five

countries in Europe. They have put together an exciting and entertaining program of both ice dance and adagio routines. The show gets underway at 2 p.m., and will run about an hour and a half.

There will also be 14 guest skaters from the Edmonton area figure skating clubs including St. Albert's Deborah Lynn Paul. These skaters have been recent competition winners and their routines will no doubt

be thrilling to watch. To round out this special afternoon of figure skating, the St. Albert Figure Skating Club will have approximately 40 members of the club performing solos, duets, trios and production numbers.

Tickets are \$1.50 for adults and 75¢ for children and these tickets can be purchased from club members or at the door on the afternoon of the performance.

## Parent courses offered again

Two sections of the Adlerian Approach to Child Raising will be offered in the New Year by the St. Albert and Area Further Education Council. One section will be offered at Paul Kane High School on Monday nights, starting January 13, 1975, from 7:30 p.m. to 9:30 p.m. A second section for parents of students attending Sir George Simpson Junior High School will be offered there on Tuesday nights, starting January 14, 1975, from 7:30 p.m. to 9:30 p.m.

The Adlerian approach stresses respect, the fostering of responsibility in children, practise in decision making, democratic principles and the understanding

of children. Learning how to encourage children is very important in the system originating with Alfred Adler and extended by his student Rudolph Dreikurs. The council sponsored a course on this approach last fall.

The registration fee for 10 evenings will be \$12 for each family and will be collected at the first class. This will include the price of a text book and other material. Films of child development, will be used. For further information telephone Mr. W. D. Thomas, at 459-7768 for the Monday section and Mr. Stu White at 459-4456 for the Tuesday section.

## DR. N.G. DOLMAN

# NATURAL GAS RATES

The Public Utilities Board has approved an interim increase in natural gas rates charged by Northwestern Utilities effective January 1, 1975.

This action follows the company's application for an interim increase filed with the board on December 12, 1974. The interim rates will remain in effect until completion of the hearing of the company's application. At that time the board will reach a final decision confirming or changing the interim rates.

The last rate increase went into effect in 1959. Since then the company has faced continued inflationary increases in the costs of wages, materials, interest and other operating expenses.

If you have any questions concerning these matters or the rate applying to your account, please contact your nearest Northwestern Utilities office or agent.

northwestern UTILITIES LIMITED

## Trustees endorse petition against Bill 22

Mr. Bill Webber, chairman of the St. Albert Protestant Separate School District No. 6, opened the regular board meeting on Wednesday, December 18, with a request for reports from standing committees.

Dr. W. Cuts reported that he had attended the Zone 2 A.S.T.A. organizational meeting on December 12, at which time Mr. Chris McDonnell had resigned as secretary. Dr. Cuts said that Mr. McDonnell was honoured with a plaque at the meeting for his many years of service.

A letter was read from A.S.T.A. concerning Bill 22 (The Official Languages Act). The letter urged board trustees to endorse a petition

opposing the act. Mr. Webber felt that Alberta trustees should not interfere with Quebec policies but Dr. Cuts moved that the board comply with the request. The matter was put to the vote and the motion carried with Mr. Webber and Mr. MacFarlane opposing.

Mr. Gish gave the monthly enrolment report for November, 1974, which showed a total of 17 high school students dropping out in the one month. Mr. Webber questioned the high rate asking the superintendent whether this was due to the lucrative labour market currently being experienced and Mr. Gish replied that it was

so.

A request from St. Albert Arts and Crafts for use of a classroom, kiln, and storage space was approved.

Two submissions were received by the board, one from Paul Kane and the other from Sir Alexander Mackenzie. Both schools requested the board to give consideration to installing Xerox 1000 machines providing that there is no additional cost to the district. At the present time the schools are using Gestetner and spirit duplicators which are not completely satisfactory. The schools do have access to the Xerox machine housed in the district office but they consider it to be impractical to utilize this machine to its fullest extent due to scheduling and inconvenience. After some discussion by the board, Mr. Murdo MacFarlane moved that the item be tabled for budget consideration.

Under trustee items, Mr. Webber reported that he had received a letter from the Alberta Law Society offering to provide a copy of the Criminal Code of Canada for the high school libraries and the society would undertake to update it annually for a nominal cost of \$15. Mr. Elmer Gish, superintendent, commented that the copy would be of great value and Mr. Webber recommended that the board make a positive response.

A small group of youngsters thought they would like to go carolling on Christmas eve and were warmly received at every house along the street. In fact they were amazed that a number of houses insisted on giving them money. The kids were only doing it for enjoyment in the mood of Christmas and neither asked for or expected the money. So they decided to donate the \$18 received to the children's ward at the Sturgeon General, where it will be put towards a new rocking chair for the nursery. They made their presentation on the ward last Friday. From left: Stephen Maybee, Mrs. M. Jackson, Head Nurse of Pediatrics, Linda Maybee, Janet Gibeau and Henriette Cyr. Christine Beckwith was absent - home with German measles.

## Leo Perron dies at 69

Mr. Leo Perron, a former resident of St. Albert passed away suddenly on December 23 and was buried December 27 in Edmonton.

Rev. L. Floyd conducted the funeral services at Sacred Heart Church and the eulogy was delivered by a long time friend, Monsignor Joseph Malone. Pallbearers were Raymond Perron, Leo Ayotte, David Perron, Jim Anselmo, Doyle Collins and Jos. Borlinski. Interment was in Holy Cross Cemetery.

Mr. Perron was born in St. Albert on Feb. 23, 1905, the son of Mr. and Mrs. Fleuri Perron. He managed a store in Slave Lake and had a confectionary, lunch counter business on Perron Street in St. Albert in a wooden

building which had been the home of St. Albert's first bank. In 1938 he moved to Edmonton where he started an interior decorator business.

He served as a school trustee for the Roman Catholic School District in St. Albert and was always

interested in sports, especially baseball and hockey. He married the former Alice Somers who came from Antigonish, Nova Scotia and taught in the Ray district.

Mr. Perron is survived by his wife, Alice, two sisters, Ella and Anna and two brothers, Hector and Gene.

# Community police interaction supported

Councillor Gary Wetsch put forward a notice of motion to investigate and promote mechanisms to develop RCMP involvement in the community and to promote public awareness of the duties and activities of RCMP at the meeting on Monday, January 6.

Coun. Wetsch explained that the notice of motion came as a result of a meeting

of the Police Commission held on Dec. 19, 1974, where the concerns of various service clubs, agencies, and the School Boards were discussed. He stated that there was a realization at the meeting that there were certain steps which could be taken by the Police Commission, the RCMP and the Town, to further the relationship between the police and the community. (The

councillor is the representative of the town on the Commission.)

Mr. Wetsch told the council that he had been very impressed with the things of benefit being done by the RCMP for the community. He questioned whether the public at large was sufficiently aware of this and if there were avenues to be explored which could further inform the public. He also noted that there were areas of expertise within the police department which could be passed on to the public. "The purpose of this motion," Mr. Wetsch said, "is to get some ideas from the council that could hopefully lead to the public becoming more aware."

Coun. Wetsch mentioned that the Staff Sergeant of the RCMP had had meetings

with the principals of several schools in the past year to alleviate some of the concerns of the School Boards. Another idea put forward by Coun. Wetsch was possibly that some members of the community, who have concern about the activities of the police, be invited to spend some time with a member of the detachment and possibly travel with him on his night duty. He said that this matter would have to be investigated in terms of legal liability before proceeded with.

A third idea was further interaction between the police and the community at large in the form of education programs such as informing trained babysitters what to do when a prowler is about. Mr. Wetsch noted that "almost every week of the

year" a constable is at some service club or organization meeting to address the group.

Coun. Wetsch was asked by Coun. Fyfe as to what could be done by council to the end he was referring to. Mr. Wetsch stated that because of certain questions as to what the RCMP could

legally involve themselves in, he wished to have the motion tabled for a month until these matters were cleared up. He stated that publicity was one of the initial needs to be explored but he was seeking approval for the principle of his motion.

The motion carried 7 to 0.

## Quiet Christmas except for one tragic incident

Police said Tuesday that Patrick Heit, just under one year old of St. Albert, died January 4 after an unfortunate accident in the home. RCMP said that his mother Mrs. Robert Heit had put the child to bed at 11 a.m. She returned to the child's room a few hours later to check the baby and found that he had fallen from his crib into a receptacle.

The child was then taken to the Sturgeon General Hospital where he was pronounced dead on arrival. Police said that the child died of asphyxiation, the result of having fallen into the receptacle in an awkward position. No decision has been made on an inquest.

# Outcry over MP's pay just media excitement claims local MP

A local MP says that the recent outcry over the proposed 50 per cent pay rise for 264 MPs is mostly generated by media excitement.

MP for Edmonton West Marcel Lambert said Mon-

day that he was hawking about the whole issue and that there was no way a person should go into debt over his job. St. Albert forms part of the Edmonton West constituency.

He claimed that everyone

of the country's 264 MPs were in debt and that the proposed pay rise which has now been narrowed down to 33 per cent will still not meet the demands imposed by inflation.

Mr. Lambert said there

had been a 50 per cent rise in the cost of living and that even the proposed 50 per cent pay rise would only "take us to the 1970 purchasing power (of the dollar)." Commenting on his present salary of \$18,000 plus \$8,000 for expenses, he

exclaimed, "I say \$18,000, what kind of a hook are you?"

He also asked why a City Commissioner should get \$40,000 pay and also why some farmers should get up to \$50,000. He emphasized that over the past few years

MPs had had only two pay hikes since 1963 while other sectors of government - provincial and civic - had claimed were at a much better salary level.

He asked the public to consider that in 18 years every other pay hike for MPs was in the region of 50 per cent and yet Federal judges could now boast a 72 per cent hike in pay.

Mr. Lambert said that no one had raised the issue of the pay rise since last Thursday "on the streets" but he had had calls at the office and also correspondence.

MP for Pembina, Peter Elzinga said this week that over the holiday period he had held eight meetings in his constituency to get the feeling of the people on the pay raise and the issue of capital punishment.

He said that some of the meetings had been attended by more than 50 persons.

He said that the general opinion among his constituents was not to accept the 50 per cent pay hike - that was a definite no-no. Constituents did not find the lesser amount of 33 per cent an easy one to approve and Mr. Elzinga pointed out that they were "torn" on this point. Others he said felt that the pay raise should come in more gradually. He felt that if the proposed 50 per cent pay hike, which would take MPs salaries up to \$39,000 (\$12,000) for expenses, had gone through it would have created a dangerous precedent for the country and this would have been damaging. The comments of constituents in this matter were appreciated, he added, and "I'll abide by their guidelines."

Mr. Elzinga also felt that the issue should be taken out of the hands of MPs and that an independent board should bring in its recommendations.

On the issue of capital punishment, Mr. Elzinga said that it should be for all those found guilty of murder, whether a peace officer or a member of the public had been murdered, but that the actual execution should be carried out in a more humane way.

Member for Wetaskiwin Stan Schellenberger said that MPs were in a dilemma over capital punishment, some thought that it was a deterrent to violent crimes and some not. He said that his constituents were split 50-50 on the issue of capital punishment for any human life. Mr. Schellenberger said that many MPs were "disgusted" at the cabinet for commuting death sentences, when the murder of a law enforcement officer was involved. He said that now it seemed that many people were having second thoughts about joining the force, as they felt that the law did not provide them with adequate protection.

On the issue of the pay raise, he said some had misunderstood the terms on which MPs were seeking their raise, but in his constituency, he said most people found the idea of a 33 per cent pay rise over six years totally acceptable.

\*Cheques presented at registration should be made payable to - ST. ALBERT ARTS & CRAFTS GUILD.

\*Fees for all ceramics classes cover cost of clay, glazes and firing.

\*Supplies are provided for children's and teen's classes.

\*Refunds will only be made if class is cancelled or on presentation of medical certificate before second class. Proceed to class unless otherwise notified.

\*Copies of program in detail are available at the Town Hall and the Library.

\*Further information can be obtained by phoning - Mrs. Lois Folkins at 459-7344 or the Department of Recreation at 459-6601.

# Student Union hustles at Paul Kane High

This semester at Paul Kane has been a busy time, and the Students' Union is full to capacity and the music for the evening was provided by the Freeway. Many students who left it too late to

white gifts for the Kinettes Christmas Hamper Bureau. A large sum of money and several boxes of white gifts were donated to the Kinettes shortly before the festive season. A large proportion of the money was raised by a group of students who went from class to class throughout the school with a box of candycanes and a donation box.

On the last day before the Christmas vacation the Students' Union organized a staff and student Christmas concert. Many classes at different levels participated with some type of skit or song. It was considered a great success and enjoyed by everyone.

The students and staff of Paul Kane High School again Kinettes Christmas Hamper Bureau. The merchandising 20 was very pleased with the support received from students and Latimer, on behalf of the school, presented Mrs. Nomy Hite over 160 gifts. Happy New Year from Paul Kane!

It is still possible to register for either or both of the two interesting workshops scheduled for the next two weekends.

On Jan. 11 from 7 - 10 p.m. and on Jan. 12 from 9:30 a.m. - 12 noon and from 1 - 5 p.m., a jewellery workshop, conducted by Mrs. Linda MacPhee, will be held at the Arts Centre. Although for adults as well, this course should be of particular interest to teens as it consists of instruction in the use of metal, seeds, nuts,

Albert Figure Skating Club will have the pleasure of presenting the world famous dance pair, Louise and Barry Soper, in an afternoon of exhibition figure skating in the arena. Although well-known to television viewers, it is seldom that such well known skaters can be seen in person - they are making only two or three appearances in the arena.

## Jacubec zeroes Leduc

defenceman Bob Beaulieu shut-out the visiting Leduc senior team 6-0 on Sunday, January 5.

The play of our senior club proved far too ominous for the younger inexperienced visitors.

Scoring opened at 3:44 of the first period on a goal-mouth scramble when Comets Klassen beat B. Lanman on a low glove side shot. From here on in, the Comets pulled no punches to play some of the finest checking and play making seen in the arena this year. Fatyenski rounded out the scoring in the first period at 9:50.

Continuing with hustle and some hard hitting in the

second period, the Comets potted two more markers from Towpich and a beautiful break-away counter from Darlings, a former Golden Bear.

In the final frame the hometown club iced the cake further with goals from Kirkland and Stevens. The Leduc team seemed to find their niche late as they started clicking with their passing and moving the puck around, putting pressure on the Comets. Leduc's Randy Phillips with aggressive hustling seemed to booster the Leduc teams attack. But the steady playing of Comets Beaulieu pulled the Comets out of many close shaves.

Zane Jacubec posted his first 1975 shut-out in fine style facing 24 shots.

The Comets sponsored by St. Albert Inn, Thermast Coatings, Willowbrook Homes, Ozies Sport & Cycle and Standard General seem to have a well coached and organized club, with several smooth and polished hockey players.

They play a clean hard hitting fast style of hockey which could prove to be very entertaining for spectators and all concerned. With provincial playoffs coming close the Comets are priming themselves to defend their Intermediate "D" Alberta hockey championship title.

Comets next home game is Sunday, January 12 at 7:30 with Westlock coming to town.

P.S. Try the new "Car O" game in between the second and third periods, courtesy of Abe's Auto Parts.

## ABA to meet here

The Alberta Baseball Association's Northern Divisional Board will hold its annual meeting on Sunday, January 12, in St. Albert.

The meeting will be held in the Percy Page Sports Administration Centre, starting at 2 p.m.

In addition to the election of a 1975 Board, plans for the coming season in Northern Alberta will be discussed and formulated.

## Bruins drop close one to fast skating Knights

In a close match Tuesday night St. Albert Junior Bruins lost a close one to Sherwood Park Knights. The game was almost a reverse of the two teams game on Friday night last week, with both games going right down to the wire.

Sherwood Park opened the scoring on the first play of the game, getting the puck in front of St. Albert's net where Bruce McCaskill popped a quick shot passed ped a quick shot past goalie Carey Winkquist at .05 seconds. Then another quick one by Sherwood's excellent centre Gord Stewart gave Sherwood Park a quick 2-0 lead at 1:15. St. Albert got on the board at 4:20 on a goal by Jerry Gaylin only to have Sherwood Park get three goals in less than two minutes.

Although badly disorganized by Sherwood Park's early fast action, St. Albert, by the half-way mark of the first period, had organized and were actually forcing the play most of the time.

Some players deserve mention for the hard work and persistence: Alex Jensen was a stand-out with his good checking and passing and rookies Dave Grice, Stu Ballentine and Matt Lister all were exceptional in breaking up Sherwood Park's rushes and keeping them disorganized breaking out of their own end.

One weak point on St. Albert is defence in front of the net. Too often men are left unmolested or allowed to roam freely to get an easy shot at Winkquist, who although allowing seven goals played a good game generally.

With good passing practice and some work on tightening up the defence, St. Albert should be in fine shape for climbing out of fourth spot and showing well in the playoffs.

Goal scorers for St. Albert were Jerry Gaylin, assisted by A. Jensen, Tim O'Neill assisted by Gary Mann; Duane Overn assisted by S. Ballentine and Wayne Kuzio; Alex Jensen assisted by Craig Neeser and W. Kuzio and Tim O'Neill from brother Mike O'Neill and Wayne Kuzio.

The Big Gun for Sherwood Park was Gord Stewart with four goals to his credit. He is a quick centreman, fast on faceoffs with a lightning wrist shot from the slot.

The penalties were fairly even for both sides with most penalties going for roughing, although the game was not typically rough.

This is a fast, spirited brand of hockey the Bruins are displaying and is well worth the price of admission, so come on out and support the club.

## Bruins pump Riggers

St. Albert Bruins scored a 7-3 win over the Leduc Riggers in CJHL action on Sunday, Dec. 29. The game, the last one for the Bruins in 1974, was a fast, hard hitting game, that saw the Bruins jump into a quick 4-0 lead half-way into the first period. The line of Matt Lister, Scott Ballentine and Dave Grice led the Bruins to their onslaught with Ballentine picking up five points, Grice, three points, and Lister, two points. Other St. Albert

scorers were Mike O'Neill, Alex Jensen and Jim Worobec. Replying for Leduc were Ken Stroud with two goals and Kevin Wakeford with one. The game, witnessed by 175 enthusiastic fans, had 13 penalties; St. Albert held the upper hand in that category, leading 7-6 in the sin bin. The shots on goal were 42-32 for the Bruins.

Bruins next home game Friday, January 10 at 7:30, hosting Stony Plain Flyers.

## Gym Club registrations

St. Albert Gymnastics Club will be holding their registration in the Clubhouse (beside the swimming pool) on Thursday, Jan. 9th at 8-9:30.

The club is accepting registrations from boys 6 and up in their boys classes which will be on Mondays starting on January 13 with the six and seven year old classes at 6 o'clock and the 8 and up classes following at 7:30. The boys section of the club never gets a very heavy enrollment and we really urge parents to register their boys in this class, because we have attracted a capable instructor, Paul Conrad, whose rapport with the boys has made Monday night such a success with parents, boys and a sprinkling of wee ones,

that it is a real pleasure to participate in one of his classes.

Girls can register from 9 years and up with a choice of Tuesday and Thursday night starting Jan. 14 and 16 in the Lorne Atkins School. Parents who are aware they have a very keen girl are asked to be able to spare a few minutes that evening to discuss advancing their girls in the club. We will have a list of keen girls and will ask parents to talk to the instructor Miss Brenda McBride before they go home.

A parent's signature is required on our registration forms and it is very necessary for parents to attend and register their children. Fees for the 12 week course will be \$10 for the first two children and half for third child.

Comet's Bob Beaulieu starting one of his many rushes to insure the puck was moved out of Comet's end and planted in visiting Leduc zone.

# ST. ALBERT RECREATION REPORT

It is still possible to register for either or both of the two interesting workshops scheduled for the next two weekends.

On Jan. 11 from 7-10 p.m. and on Jan. 12 from 9:30 a.m. - 12 noon and from 1-5 p.m., a jewellery workshop, conducted by Mrs. Linda MacPhee, will be held at the Arts Centre. Although for adults as well, this course should be of particular interest to teens as it consists of instruction in the use of wire, metal, seeds, nuts, clay, etc. in the making of various kinds of jewellery. All supplies are included in the fee of \$10.00.

Mr. Don Mills will conduct a puppetry workshop of interest to high school students and adults on Jan. 18 from 9 a.m. - 12 noon and from 1:30 - 4:30 p.m. and on Jan. 19 from 1 - 4:30 p.m. Most supplies will be provided and a list of other supplies will be sent to those registering. The fee is \$10 and the workshop will be held in the Grandin Clubhouse (beside the swimming pool).

For further information and to register in these workshops, phone Lois Fokins at 459-7344.

## FIGURE SKATING

The Sopers are coming! On Saturday, Jan. 18, the St.

Albert Figure Skating Club will have the pleasure of presenting the world famous dance pair, Louise and Barry Soper, in an afternoon of exhibition figure skating in the arena. Although well-known to television viewers, it is seldom that such well known skaters can be seen in person - they are making only two or three appearances in the area.

## LEARN TO SKATE

Registrations for a learn-to-skate program being offered by the Power Skating Club will be taken at the arena on Thursday, Jan. 9 from 5:30 to 7 p.m. Details are included in an advertisement in this issue.

## CHILDREN'S GYM

Registrations are being taken at the Department of Recreation for the children's gym classes which start on Tuesday, Jan. 21 in Vital Grandin School, Sunset Blvd. Kirsty Marshall will instruct the classes which will be held for the 6-8 year olds from 4-4:45 p.m. and for the 4's and 5's from 5 - 5:45 p.m. The cost is \$5 for the 10 week session. If the response justifies them, other classes may be arranged for another day.

## SWIMMING

Although residents of Grandin Village have priority, other St. Albertans may register for swimming lessons which will be held at the Recreation Centre in the village.

Classes will be held on Thursdays for pre-schoolers between 12:30 and 2:30 p.m., for the 6-12 age group between 6 and 8:15 p.m. and for adults from 9-10 p.m.

Mrs. Sandra Harding is co-ordinator of the aquatic program and will also instruct the pre-schoolers. Enquiries can be made by phoning 458-1509 or 459-4937.

## PHYSICAL CULTURE

A 10 week course in physical culture will start on Thursday, Jan. 23 in Sir George Simpson School.

Margaret Thomson will again conduct the classes which will be held each Thursday for the following age groups: the 7-11's from 6-7 p.m. (cost \$5); the 12-16's from 7-8 p.m. (cost \$6) and adults from 8-9:30 p.m. (cost \$10.). The adult class will include 17 year olds at a fee of \$6.00.

Registrations, along with fees, are now being accepted at the Recreation Department.

Physical culture is a combination of creative dance, free and rhythmic movement in which every muscle is

used to attain grace, suppleness and flexibility. Join a class and get and keep fit - and have fun doing it to music.

## CROSS COUNTRY SKIING

The first outing of the St. Albert Nordic Ski Club (members thought the snow would never come) was to Elk Island Park and 11 car loads of happy skiers took part. The snow conditions were good and the brisk winds did nothing to lessen the enthusiasm. A weiner roast warmed everybody up and was thoroughly enjoyed.

On Sunday, Jan. 12, club members are invited to meet at Sir Alexander Mackenzie school grounds at 1 p.m. Plans are not being divulged at the moment so come and be surprised; it will be fun.

For future club activities watch the bulletin board in Grandin Mall and this column.

Anyone interested in joining the Cross Country Ski Club is asked to phone Ken Rothwell, the membership chairman, at 459-5131. Membership for a family is \$5., for a single adult, \$3. and for a student \$1. Members receive a newsletter periodically and can participate in the outings which are arranged by the executive.

## ARENA ACTIVITIES

Public skating sessions are held at the following times: Wednesdays 7-8:30 p.m., Saturdays, 8:30-10 p.m. and Sundays from 2-4 p.m. with admission fees of 75¢ for adults, 50¢ for students (13-16) and 25¢ for children (12 years and under).

Mum and/or dad can show junior how to skate at a special session for parents and pre-schoolers which is held on Wednesdays from 10:30-11:30 a.m. The cost for this session is 25¢ per person.

On Friday, Jan. 10 the St. Albert Junior Bruins play Stony Plain at 7:30 p.m.

## CHESS

Phone Stuart Embleton at 459-8937 or Lawrence Jones at 459-8931 for information about the St. Albert Chess Club which meets in Mission Clubhouse, Mission Avenue on Wednesday evenings at 8 p.m.

## Y-NEIGHBOURS

Y-Neighbours, sponsored by the YWCA, meet for the first time this year on Monday, Jan. 27 and Tuesday, Jan. 28. Watch for details next week.

## Pack Trip

January 14 at 8 p.m., in the Community Hall the St. Albert Fish and Game will feature a slide talk on a nine day pack trip. Albert Shaw and Don McConnell took the pack trip into Wilson Lake along with two of their friends.

Their guide and outfitter on the trip was Nada Halseth. She is one of the few female outfitters in the world, is a

legend in her own time. According to Albert Shaw, the experience of being on a trip with Nada is something most people would give their eye teeth for.

Wilson Lake has some of the best trout fishing available in Alberta. A pack trip is probably the next best method of enjoying the outdoors other than hiking or canoeing.

## Barons break losing streak with 3 convincing wins

St. Albert's Sportshop Barons snapped a two-game losing streak by recording three resounding victories during the past two weeks.

The Barons thumped Barrhead Midgets 11-2 and 11-3 in a home-and-home series and dropped Edmonton High Park 12-4 in a tournament game at Wetaskiwin.

The wins snapped the two-game losing streak, in which the Barons fell 6-4 to Stettler and 9-5 to Wetaskiwin, in tournament games between Christmas and New Year's at Wetaskiwin.

The Barons had little trouble against Barrhead, despite the fact Barrhead edged the St. Albert club 5-4 in a game played at Barrhead in November.

A six-goal second period outbreak Sunday in Barrhead sparked the Baron 11-3 win, while St. Albert outscored Barrhead 3-0 in the second period last Thursday in St. Albert, to carry them to a 11-2 win.

Two goals performances from Graham Brown and Dave Kieser, plus defence-man Mark Twone's first goal in more than two years, propelled the Barons to Sunday's win in Barrhead. Earl Evaniev, Rod Olsen, Real Huot, Paul McCann, Lloyd Olson and Ron Sander added the other St. Albert markers.

Defencemen Terry Leddy and Earl Evaniev, each with two goals, and Mark Harmon with a single, scored almost half the St. Albert goals in their 11-2 win Thursday.

Real Huot picked up two, while Lloyd Olson and Ron

Olsen each had singles, along with Dave Kieser.

Against High Park, St. Albert got two goals from four different players, on their way to an easy 12-4 win. Picking up two were Rod Olsen and Lloyd Olson. Ron Sander and Dave Kieser. Singles went to Dave Shipanoff, Don Ouellette, Ken Strand and Earl Evaniev.

In tougher competition however, the Barons weren't sharp.

Against Stettler Legion, Paul McCann's two goals with a single coming from

Lloyd Olson had the Barons in front 3-2 with just over seven minutes remaining in the game.

But the Barons quit skating and the roof caved in when Stettler erupted for three straight goals before Ron Sander got St. Albert's fourth goal with just eight seconds remaining.

The Barons also jumped into a 2-1 first period lead over Wetaskiwin, on goals by Rod Olsen and Ron Sander, and led 3-2 early in the second with Dave Kieser's goal, but Wetaskiwin struck

for six straight goals before St. Albert replied with two goals late in the third period, from Paul McCann and Blake Millroy.

Throughout the season, the Barons have blown hot-and-cold, and sport a 10 win, eight loss record. The Barons were scheduled to play Fort Saskatchewan midgets Monday at the arena. St. Albert lost 6-2 to the Fort in a game played in December. The Barons also meet Drayton Valley midgets in a 7:30 encounter at the arena next Tuesday.

# OUTDOORS

with Don Hayden

Alberta generally has very good weather for outdoor recreation, except for about two weeks in July when the ice gets too thin for ice fishing. That could very well be the story for many of the enthusiastic ice fishermen in St. Albert. I know several people here that can hardly wait for the ice to get thick enough to try their luck. They are the same bunch in the spring that don't give up until they fall through the rotten ice a few times.

You don't have to be that enthusiastic or dedicated to enjoy ice fishing. The requirements are minimal. An auger or ice chisel (just a piece of 3/4 inch pipe with an old axe head welded on one end) to get through the ice. A few yards of six or eight pound test monofilament line, a few small lures, and some warm clothing and you're ready. If you want to look down the hole and see the fish you will require something waterproof to lie on and something light-proof to lie on or your head with. I found that one of the best things to lie on, if you can find any, is 3/4 inch flexible plastic foam. It's extremely light-weight and waterproof. The piece I have was some of the excess that came as packing with my canoe. For a small group an old 9 x 9 tourist tent makes an excellent fishing tent. I have such a tent; you can use 10" spikes on each corner to hold it down and cut holes in the floor for access to the fishing holes.

If you're after whitefish,

the lures you use should be small and preferably a brass color. There are many variations of this single hook lure available. The one I prefer is in the shape of a fish with a red dot just above the hook. I tie it on so that it hangs more on the horizontal than vertical. J. P. Roy makes his own whitefish lures. He uses a small treble hook lead in on the shaft with various colors of paint. Its very simple and also very effective.

For pike you can use almost any lure that you may have in your tackle box. You can set a baited line for pike and just leave it, but for whitefish the best results come from "jiggling." The lure should be anywhere from one foot to the bottom to about half way to the surface for whitefish. The water depth can vary from four to 20 feet. However most success will be gained in depths of four to eight feet. There are as many ways to jig as there are fishermen. I generally jig the line about three or four inches a few times and then just twitch it a little to continue the action. After about 20 seconds I repeat the operation.

Adrian Gamache, who is an ice fishing addict, tells me that so far this winter fishing has not been too successful. He has tried several lures with only marginal success, but adds that things are gradually improving.

I tried my luck at the west end of Wabamun on Sunday with some success. In two

hours of fishing I landed two whitefish in the two and a half pound range. My fishing was done in four and a half feet of water along the south shore, about two miles east of Seba Beach. The ice is about 14 inches thick and of the very hard clear variety. Many areas of ice have blown free of snow and are quite slippery even to stand up on. You can see the bottom clearly in depths of five or six feet in through the ice in these spots.

It's fairly safe to drive on the ice at the west end of Wabamun now, but stuck to areas where someone else has driven. Anyone who drives on this lake at the east end is asking for trouble. The two power plants on the east end of Wabamun cause water to circulate somewhat and remain open over large areas.

On Jan. 14 the St. Albert Fish and Game Association will have their first meeting of 1975 in the Community Hall. They will feature a slide talk about a nine day pack trip into Wilson Lake.

## Combines take Park in fine peewee action

The St. Albert Peewee BB Combines started out the New Year on a winning note by defeating the Sherwood Park team 7-4 in one of the best peewee contests ever played in St. Albert. The first period started with the visitors jumping into a 3-0 lead, something which hasn't happened to the Combines this season.

In the next two periods the boys showed the fans the kind of game control nie to watch as they took over completely and outscored the visitors 7-1 in the final period.

A re-match is scheduled for Sherwood Park on Sunday afternoon.

The league president sent in more stats this week, and here they are:

Top Scorer is Troy Murray, No. 1 with 26 points and Kevin Jackson of the Combines is also in the top 10 scorers in the league, being in 10th position with 14 points.

### TEAM STANDINGS

St. Albert - 18 points on 9

## KINSMEN MINOR HOCKEY

The following standings and point totals are for all game sheets left in arena box up until 11 p.m. Sunday.

game sheets it was impossible to turn out individual player scoring points at this time. They will be published as soon as possible.

Coaches are reminded to

please drop off game sheets in arena box as soon as possible following game. Standings are as accurate as possible. Any discrepancies, please call Larry Mitchell - 459-4941.

### SPORTS - LEARN TO SKATE COURSE

The St. Albert Power Skating Club will hold a Learn to Skate course at the arena on Tuesday from 4:30 p.m. from January 14 to March 11 inclusive.

The fee for families who are club members will be \$3.50 and \$4.50 for non-members. Registrations will be held Thursday (Jan. 9) from 5:30 until 7 p.m., and the course is limited to 35 beginner skaters, accepted on a first come, first serve basis.

Parents are asked to note that helmets are required for all boys and girls taking the course.

# Fort outscores Barons - earns four majors in rough game Monday

Fort Saskatchewan J & B midlets capitalized on a number of early breaks and then out-fought St. Albert Sportshop Barons, to drop the hometown Barons 7-3 in exhibition hockey Monday.

Fort Saskatchewan scored with just 20 seconds gone in the opening period at the Arena, grabbed two additional goals 35 seconds apart at the 14-minute mark of the opening frame, then scored

on a penalty shot at the start of the second period, to lead 4-0.

Two additional goals -- one coming on a power play -- boosted the visitors into a 6-0 lead and then Fort Saskatchewan broke loose with tempers.

J & B picked up two fighting majors and game misconducts in the second period, and then as St. Albert struck back with three

third period markers, the visitors picked up two additional fighting and game misconducts.

Fort Saskatchewan picked up eight minors and four majors in the rough encounter, while St. Albert players stayed out of the fights, covered up, and took only six minors.

Noble and Kilburn each picked up two goals to pace

Fort Saskatchewan, while singles went to Darrel Skoreyko, Pasnuk, and Achymichuk.

St. Albert goals were scored by Ron Sander, Graham Brown and Lloyd Olson.

The Fort jumped into an early lead when Noble grabbed a poorly played puck by a St. Albert defenceman just inside the homeowners blue-line, and walked in all

alone, picking the corner on netminder Dennis LaFleur.

Achymichuk and Kilburn took advantage of poor clearing to pick up the visitors two quick goals at the 14-minute mark -- the third goal coming after LaFleur had made three straight saves. Kilburn drew a loose puck out of four St. Albert player's skates and easily tossed the puck into an open net over LaFleur.

Referee Doug Kane called a penalty shot against St. Albert as the buzzer ended the first period, after defenceman Mark Harmon threw his stick along the ice at a breaking Fort Saskatchewan forward. Skoreyko made no mistake at the start of the second period as he skated it alone and slid the puck along the ice.

The Fort lifted themselves into a 5-0 lead 12 minutes into the second period, when a booming power-play shot from Pysnak caught the far corner against LaFleur.

With just two and one-half minutes remaining in the middle frame and St. Albert buzzing all around the Fort net on a power play, Noble

picked up his second goal on a breakaway, against Wayne White, who replaced LaFleur midway through the period.

Ron Sander and Graham Brown broke in on a two-on-one six minutes into the third and Brown gave Sander a wide-open net after pulling the Fort goaltender.

Kilburn notched his second of the night a minute later on a solo effort, but Graham Brown got that one back midway through the period when he blasted a pass from Paul McCann high into the Fort net.

Lloyd Olson's goal came after some diligent back-checking, in which he stole a pass deep in St. Albert's end and stickhandled through the entire Fort team, beating goaltender Dave Schultz from close in.

The win was the second in two starts over St. Albert, for Fort Saskatchewan, who narrowly lost out in the Christmas Wrigley tournament for a trip to Oshawa and the Canadian midget championship.

J & B beat St. Albert 6-2 before Christmas, also in a game in St. Albert.

## ST. ALBERT GYMNASTICS CLUB REGISTRATION NIGHT

Thursday, Jan. 9, 8 - 9:30

AT THE CLUBHOUSE  
(Next to the Swimming Pool)

Boy's 6 and Up  
Monday Nights

Girl's 9 and Up.  
Tues. or Thurs. Nights

We would like to extend the compliments of the season to all residents of St. Albert and to wish each of you health, happiness and good fortune in the New Year.

Your support of our community service work over the past year has been generous and greatly appreciated.

We look forward to continuing warm relations in the year ahead.

Thank you and

**Members of  
The St. Albert Kinsmen Club**

## Juveniles place second in Drumheller tourney

The Juvenile "BB" sponsored by Standard General and coached by John Ewen took second place in the invitational tournament held in Drumheller Dec. 26 to Dec. 28th.

The team arrived in Drumheller Thursday afternoon and in their first game that evening soundly trounced the Lethbridge team to the tune of 15 to 5.

On Friday, Dec. 27 they played Calgary but came out on the short end of an 8 to 4 game and in losing went into the "B" Division.

Saturday afternoon they played Stettler and eked out a 3 to 2 win in overtime and thereby won the right to meet the Calgary team again in the final.

The game against Calgary was a very hard hitting, fast game, but due to a rash of injuries and very strong opponents, they came out on the losing end - final score St. Albert 3 - Calgary 7.

To all the parents they are still champions and from all reports they acted and played at all times like the champions they are. St. Albert can be proud of these gentlemen who carried our name proudly at all times.

The team members wish to take this opportunity to express their thanks to Standard General Construction - Pro-Western Plastics National Concrete and Safety Stores for their assistance in making this trip possible.

# Background report on the Kinsmen

**SPECIAL FEATURE STORY**  
By Terry Moore  
Kinsmen Club President

## HISTORY - ORGANIZED HOCKEY IN ST. ALBERT

In the early 1960's when St. Albert started to develop on a large scale there was no minor hockey as we know it today. There were only three organized St. Albert teams playing in Northwest Edmonton, a midget, a bantam, and a peewee team. In the Fall of 1962 a small group of

men met in the Fire Hall: Rusty Gavenlock, Roger Gelinas, Barry Welsh, Erling Winquist, and Frank Joyal, to discuss the possibility of forming an organized hockey league in St. Albert.

They then registered 300 boys and formed the St. Albert Minor Hockey Association. This Association ran successfully for four years, however, the number of boys participating was increasing and they eventually felt they must look to the Town or Service Clubs to look after

**ERLING WINQUIST**  
Advisor

the Association.

## THE KINSMEN GET INVOLVED

The late Kinsman Rod Erickson presented the idea of running Minor Hockey to the Kinsmen Club who immediately undertook the challenge and have operated the league successfully since 1966. The motto of the Kinsmen Minor Hockey Association is "that every boy in St. Albert have an equal opportunity to play hockey."

**DON HARLE**  
Sponsors

teer hours spent by citizens of St. Albert on their boys. If you were to average that at \$5 pay per hour, and that is probably low, you get \$135,000 donated by the conscientious citizens to minor hockey. In addition to the above man hours, our Auxiliary Kinette Club supplies all the people hours for the wind-up party held for the coaches, players and parents.

**BOB BUTTS**  
Referee-in-Chief

## THE PROGRAM IS ADMINSTRATED BY A COMMITTEE UNDER A HARD WORKING CHAIRMAN

The Kinsmen Club President appoints the Chairman.

**NORM TATE**  
Committee Chairman

He makes his choice from the general Kinsmen membership and must bear in mind the heavy responsibility that this chairman will be shouldering. Minor Hockey will not be a game for this Chairman, but rather a way of life for him and his family for at least one full year out of their lives. His phone will ring day and night. He will spend

must also perform his own job in order to provide for his family.

Kinsmen who have acted as minor hockey chairman are the following: 1966-1967 - Rod Erickson; 1967-68 - Rod Erickson; 1968-69 - Erling Winquist; 1969-70 - Erling Winquist; 1970-71 - Fred Calkins; 1971 - 72 - Fred Calkins; 1972 - 73 - Paul Matear; 1973 - 74 - Neil Stewart; 1974 - 75 - Norm Tate.

The Minor Hockey Chairman is a volunteer. He must

**LARRY MITCHELL**  
Statistician

be prepared to take a certain amount of unjustified criticism as well as justified criticism. He obviously must be a dedicated individual. Would you make that commitment? The choice of a chairman is not an easy one nor is it always possible to have a choice once the responsibilities are fully explained to the candidates.

Once the chairman has been appointed then all the Minor Hockey files are turned over to him and he then has the responsibility to form his own committee and to execute the job of administering Minor Hockey in the town.

Since 1972 the Minor Hockey Committee is comprised of Kinsmen plus non-Kinsmen volunteers.

## THE PROGRAM DEPENDS ON COMMUNITY VOLUNTEERS

Coaches and assistant coaches man hours would total to approximately 1,000 hours per week during the hockey season on a 17 week season or 17,000 hours during the hockey season.

Minor Hockey committee members man hours would average 400 hours per week on a 25 week season which is 10,000 hours during the hockey season.

The coaches, assistant coaches, and minor hockey committee are all volunteer hours, that is 27,000 volun-

## THE FINANCIAL STORY

### TOWN'S CONTRIBUTION TO MINOR HOCKEY

1. Five outdoor rinks are maintained and supplies with manpower.
2. Arena - charge to Minor Hockey \$3 per hour. Normally ice rentals average at \$25 per hour.
3. Goalie equipment supplied by the town. Average of \$3,500 per year.
4. Typing and Xerox copies of schedule for coaches.

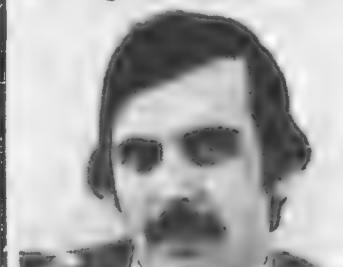

**STEVE ZDRILL**  
Equipment Manager

5. Take bookings from coaches for outdoor ice.
6. Pays for coaching and referee clinics.

### KINSMEN SHARE OF FINANCES FOR MINOR HOCKEY

1. Ice rentals \$3,000 per year average.
2. Equipment \$4,000 per year for sweaters etc. This is in addition to monies collected from team sponsors.
3. Referees - pay all referee costs \$3,500 per year.
4. Insurance \$900.
5. Miscellaneous \$2,000

Registration fees from parents equal approximately \$9,000 per year. In addition to the above the Kinsmen Club have spent \$45,000 on the installation of the plant in the arena and an additional \$2,250 this year on a storage shed on the town property for

**NEIL STEWART**  
Past Chairman

untold hours at the arena and at the outdoor rinks around town. Many hours will be spent in scheduling of games, follow-up on game sheets, sponsors, equipment divisions, referees, committee members etc. Between the chairman and his wife they will average between 40 and 50 hours per week on Minor Hockey without a day

**ERNIE SPEAKE**  
Treasurer

complete. That hours than the works per week. Remember he

# Minor Hockey Program in St. Albert

Costs vary from year to year and the total costs to the Kinsmen Club from 1970 - 1974 have been \$11,000.

The average registration charge to a parent for a child to play hockey is \$9 per season and we have a family rate of \$25 per season to take the financial burden off large families.

Due to increased costs, the registration fees will have to be increased in the 1975-1976 hockey season. At the present time these fees are one of the lowest in the province. Every effort has been made by the Kinsmen, sponsors, and the town to maintain these low fees.

**BRUCE DALEY**  
Mites Division Head

dent on the weather since they have to be played outdoors. An adequate facility would be a shell with artificial ice.

## THE SUPPORT AND ATTITUDE OF THE PARENTS IS AN IMPORTANT PART OF THE PROGRAM

He wants your support but the Minor Hockey Committee requests you follow the 10 points made by the late Lloyd Pervical, fitness expert!

1. Make sure your son knows that win or lose, you love him. Let him know that you appreciate his effort and that you won't be disappointed in him if he fails. Be the person in his life he can always look to for support.

2. Try to be completely honest with yourself about your son's athletic capability, his competitive attitude, his sportsmanship, his level of skill.

3. Be helpful, but don't coach your son on the way to the game or at the breakfast table. Think how tough it must be on him to be continually inundated with advice, pep talks and criticism.

4. Teach your son to enjoy the thrill of competition, to be "out there trying," to be constantly working to improve his skills, to take the physical bumps and come back for more. Don't tell him that winning doesn't count, because it does and he knows it. Instead, help him to develop a healthy competitive attitude, a "feel" for competing, for trying hard for having a good time.

5. Try not to live your life through your son. You've lost as well as won, you've been frightened, you've backed off at times, you've been the villain. Don't expect

any better of him. Sure, he is an extension of you, but don't assume he feels the same way you did, wants the same things or has the same attitude. Don't push him in the direction that will give you the most satisfaction.

6. Don't compete with your son's coach. A coach may become a hero to him for a while, someone who can do no wrong, and you may find

**AL FINDLAY**  
Pee wee Division Head

that hard to take. Or your son may become disenchanted with the coach. Don't side with him against the coach. Talk to him about the importance of learning how to handle problems and how to react to criticism. Try to help him understand the necessity for discipline, rules and regulations.

7. Don't compare your son with the other players on his team - at least not within his hearing. If he has a tendency to resent the treatment he gets from the coach, if he is jealous of the approval other players get, try to be honest with him. Don't lie to him about his capabilities as a player. If you are overly protective, you will perpetuate the problem.

8. Get to know your son's coach. Make sure that you approve of his attitudes and ethics. A coach can be very influential, and you should know what his values are so that you can decide whether or not you want them passed on to your son.

9. Remember that children tend to exaggerate, when they are praised and when they are criticized. Temper your reactions to the stories your son brings home from the rink. Don't criticize him for exaggerating, but do urge him to tell you the

**AL SCHEUERMAN**  
Bantam Division Head

10. Teach your son the meaning of courage. Some of us can climb mountains but are frightened to get into a fight. Some of us can fight without fear but turn to jelly at the sight of a bee. Everyone is frightened of something. Courage isn't the absence of fear. Courage is learning to perform in spite of fear. Courage isn't getting rid of fear, it's overcoming it.

## IDEAS OF THE PUBLIC ARE INVITED MINOR HOCKEY'S FUTURE

We have formed a Special Minor Hockey Committee to

**GARY McDERMID**  
Midget Division Head

look into the future growth, improvement and our Club's involvement in Minor Hockey. This committee is comprised of two past Minor Hockey chairmen plus the present one as members and is chaired by Kinsman Dave Stewart.

If you have any recommendations for the improvement of the Minor Hockey Program write to - Kinsmen Special Minor Hockey Committee, P.O. Box 178, St. Albert, Alberta. c/o Mr. Dave Stewart, or phone Mr. Stewart at 459-5122 prior to January 25, 1975.

Mr. Stewart and his committee will be presenting their recommendations to our club for approval at our Club's general meeting on January 27, 1975 and we will inform you of these recommendations through the Gazette.

To all who have contributed financially, physically and mentally, we thank you,

**CARL BOKENFOHR**  
Juvenile Division Head  
and at the same time we encourage you to help us build a strong and viable

Minor Hockey program in the future.

The St. Albert Kinsmen Minor Hockey Association was formed to promote amateur hockey in St. Albert for the enjoyment of the boys and also to teach good sportsmanship. Remember it's for the boys!

Missing from the group of photos of the St. Albert Minor Hockey Committee is Paul Matear - Secretary.

**A HEALTHY 1975  
IT'S REALLY UP TO YOU!**

In all probability 1975 will generally be a healthier year for most everyone, for in each passing year we see new medicines perfected and new medical techniques developed. There is always the chance that this will be one year that will see a breakthrough in finding the cure for one of the killer diseases that still plague mankind.

But, good health doesn't necessarily just happen. You have to do your part to help. We suggest that you resolve today that you will not neglect your health. Schedule a checkup with your doctor. Act early at any signs of an illness. We resolve we will do everything we can ethically to help you and your family in the pursuit of good health.

You or your doctor can phone us when you need a prescription. A great many people rely on us for their health needs.

## Fifth St. Albert's Bottle Drive Saturday

The 5th St. Albert Cubs and Scouts will be canvassing the west side of town on Saturday, January 11, on

their annual bottle drive.

A spokesman for the Cubs and Scouts says that about 55 boys are involved in the

bottle drive and they will be meeting at the St. Albert Evangelical Lutheran Church by the Town Hall at 9

Saturday morning. "We'll be out for as long as it takes to cover the area," the spokesman said.

Residents of St. Albert are reminded to expect the Cubs and Scouts who will be calling door-to-door collec-

ting empty bottles. The funds raised from the drive are used to finance Cub and Scout activities.

# Should a province as rich as Alberta have such poorly staffed hospitals?

Alberta has just received an extra billion dollars in oil revenues. Yet some of the province's most needed workers are forced to live on poverty-level pay. Our hospital employees.

As a result, Alberta hospitals are becoming dangerously short-staffed. Some are at only 65% capacity.

And your health services are suffering badly.

The provincial government is unwilling to pay hospital employees a living wage. So they simply cannot provide for their families. Or cope with inflation.

Consequently, they're leaving hospital work in growing numbers.

Many go to B.C., where hospital pay rates are much fairer. A cleaner can make \$300 a month more.

Alberta hospital workers want, and deserve, similar rates. They badly need an increase now.

But the province is holding back. Even though that extra money is in the treasury.

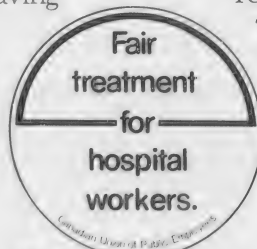

The government is being very unfair with hospital workers.

But they're also seriously jeopardizing your health care.

So we're asking you to support our campaign for fair treatment.

To us it's a matter of livelihood.

To you, it may be a matter of saving your hospital service.

## Tell them you care about your health care.

Canadian Union of Public Employees.

# St. Albert UN peacekeeper glad to be back home

By Jim McIntyre  
"If you're gonna be a peace keeper, you're gonna get a bloody nose and that's what happened to us."

Those were the words of St. Albert's Bert Rajotte, 45, a Chief Warrant Officer with the Canadian Armed Forces and just returned from a stint in Cyprus with the Canadian contingent of the United Nations peace keeping force. "It's just like if you break a fight up on the street, you're going to get hurt," added Sergeant Major Rajotte, comfortably at home with his family and dog after spending eight months in war torn Cyprus as a regimental sergeant major with a regiment of the Canadian Airborne Division stationed at Namao.

St. Albert's peace keeping resident is now on leave till January 22 after getting back to the homeland December 8. With all the memories, sad and joyful of the past summer on Cyprus, with its plush hotels, good food and a spot of peacekeeping thrown in, it'll be a question of getting back into the routine of things with paraxercises in the American deserts and Canadian Arctic.

"But it's a good life," said Sgt. Major Rajotte, glad to be back in his home part of the woods.

Just before the fighting broke out in Cyprus last July, with the Greek coup followed by the Turkish invasion from the North, it looked as

though the Rajotte family would have precious little to worry about.

Sgt. Major Rajotte's wife Mary Ellen even spent a little time on the beautiful island swimming and sunbathing with her husband before hostilities commenced and it was time for the evacuation of the dependents.

But Sgt. Major Rajotte pointed out that it is not easy on the family - he has five children, two still at home, and they worry about him while he is away.

Sgt. Major Rajotte said he was stationed at the Wolskeley barracks in Nicosia - right in the middle of Cyprus, just south of where the Turks landed in their July invasion.

He said that at first he didn't think the invasion (of the Turks) was going to happen, but the Greek coup changed all that as Greek tanks began rolling into the capital, stationing themselves at strategic points.

"We had a grandstand seat and could see the airstrikes coming in," said Sgt. Major Rajotte, as he recalled the invasion and also how himself and a commanding officer went up to Greek tanks in the capital at the time of the coup asking, "What the heck's going on?"

The Greeks replied, as their shells still pounded into the police station, "There's been a coup and Makarios is dead." The Greeks seemed jubilant at their take over.

Sgt. Major Rajotte said at one point his commanding officer's rifle was snatched from him by one of the Greek soldiers, but the rifle was returned after he demanded that he should have it back. They were told that if they wanted to see anybody about what was going on, "See the boss in the police station."

Sgt. Major Rajotte said that if the peacekeeping force had not been present backed up as it was with the Canadian Armed Forces' professionalism, there might well have been a blood bath in Nicosia. That capital's northern half is populated by Turks, the other part by Greeks, with a smattering of both peoples throughout.

The Canadian contingent of the peacekeeping force was at one time caught between the fires from Greek and Turkish mortars and the company office and vehicles received direct hits.

"Fire," said Sgt. Major Rajotte, "sometimes got too intense on the green line, which separated Greek and Turkish troops in Nicosia, and we'd have to move back if there was a cease-fire."

He said that while he was in Nicosia two young Canadian soldiers were killed while on patrol; one was shot through the head and the other received two rounds of machine gun fire right through the chest and heart. Eighteen others were wounded and many of these soldiers were only between ages 18-21.

Sgt. Major Rajotte singled out the young members of the Canadian contingent of the UN peacekeeping force for special mention. "It was satisfying to see their discipline and self restraint," pointing out that some of them had just taken their para-training at Griesbach.

Sgt. Major Rajotte said that sometimes the Canadians talked to Turkish and Greek people, civilian as well as military. "We'd try to get them to agree and they were very friendly people." Once Sgt. Rajotte said, we saw a Greek and a Turk shake hands and give parcels.

He pointed out that the period he enjoyed with his wife in Cyprus was short-lived. Soon 80 Canadian Armed Forces wives were on board a "Here" July 18 and Nicosia

SGT. MAJOR RAJOTTE of St. Albert stands firmly to attention outside the Ledra Palace Hotel in Nicosia, Cyprus, scene of fierce fighting during last summers Turkish - Cypriot war which saw peacekeeping action with the U.N. by the Canadian Armed Forces Airborne Regiment of Namao.

was bombed the next day by Turkish Jets.

Once the Turks moved into the island there was no freedom of movement within the Turkish sector, he added.

One of the major concerns as the fighting increased was the Ledra Palace Hotel where many tourists and journalists were staying, but which was also a highly prized strategic point. The peacekeeping force decided that the best way to solve the problem and look after the people was to move in. As the violence died down towards the Fall, the hotel was the scene of talks between Turkish and Greek politicians.

Sgt. Major Rajotte had a

special word of praise for the British forces who helped in the evacuation of the island, as they moved refugees and non-combatants to the sovereign bases of Limassol and Akrotiri, ready to be picked up by a British convoy. He commented that the "Brits" let the enemy know in clear terms there would be serious repercussions if the evacuation was interfered with. As a result not one shot was fired in anger.

However, Sgt. Major Rajotte continued, Nicosia was a different story after the fighting. There wasn't a soul around, there were bullet marks everywhere, and at the height of the conflict the

presidential palace was burning, also gas stations and the sergeant's mess was hit by mortar bombs.

Sgt. Major Rajotte is no stranger to this part of the world coming to Namao in 1970 and finally settling in St. Albert in 1972, from where he only has a short drive to work.

He's seen action with the Armed Forces in Korea 1953, Germany in the mid and late fifties and Cyprus in 1965 and 1974.

Ask him about the Middle East situation in general and he is loath to give an answer. All he will do is grimace uncomfortably and just hope for the best.

### PUBLIC NOTICE RE BUS SCHEDULES

There have been complaints that the present schedules are difficult to understand. An examination to determine how the schedules may be made simpler is underway.

However, the answer to the problem may be with a public information series.

**On Thursday, January 9, 1975 at 7:30 p.m., J. J. Bakker, P. Eng., will be seen on Channel 11 Capital Cable T.V. to explain the present bus schedule and discuss alternatives.**

It will be a phone-in show so that viewers may direct questions and valid criticism concerning the understanding of the bus schedule itself. It is hoped sufficient interest will be shown to guide the System with any revision of the schedule.

**Municipal Administrator.**

# Federal provincial confrontation likely on airport

By Jim McIntyre  
A confrontation seems likely between the provincial and federal governments on the site of a proposed airport

near Villeneuve in the MD of Sturgeon.

Reeve of the MD Bill Flynn, reviewing the prospects for the MD in 1975 said

that he hoped the airport at the Villeneuve site would be finally approved by the provincial department of the Environment as it would

bring more jobs to the MD and also increase the tax base.

The airport site has already been bought by the

Federal Department of Transport and will be used to take pressure off the Edmonton Industrial airport. Light planes will be the main

users of the proposed airport which is located near Villeneuve.

Mr. Flynn said that the Department of the Environment has gone into an investigation of the potential of the airport site for food and agriculture, part of the activities of the Land Use Forum. However he pointed out that although the site covers several sections only a half section would be taken away from agricultural use.

Mr. Flynn also said that he would rather see the land in question used for an airport than gravel extraction or coal mining.

The site for the proposed airport has also been approved by the Edmonton Regional Planning Commission and Mr. Flynn said that he does not know why the Department of the Environment is now withholding approval.

He pointed out that there could be spin off in light industry if the airport went ahead though there would be the complication of putting in new transportation systems he added.

Giving an overview on other matters in the MD this coming year Mr. Flynn said that the MD would be holding an early meeting this month to set their priorities. Top among these are an effort to see an expansion in the water and sewer systems for the municipality, particularly for Gibbons and also Morinville which is becoming increasingly short of water as the town expands. Mr. Flynn said that he hoped Gibbons would eventually connect with the North East water-line.

Mr. Flynn also pointed out that he would also like Morinville to join the water-line, though this could again be stymied by the provincial Department of the Environment. Mr. Flynn claimed that the cause for this was that Morinville was not large enough to allow for the large amounts of money which would have to be borrowed; the Department of the Environment might therefore suggest alternative expansion to the present, Mr. Flynn added.

He said that when the MD holds its special meeting a number of things will be proposed. First would be an attempt to improve the tax base with the promotion of industry in the MD; second there would be an effort to pump for a regional system of sewer and water lines, as well as transportation.

He stated that he hoped the MD would come up with enough goodies to bring the services to the ratepayers they desire. However he said that if costs spiral the MD would have to decrease services to residents, "because we do not see an increase in the mill rate."

Finally Mr. Flynn said that the MD will continue its efforts to tie in 16 residents in one corner of the MD into the proposed Edmonton - St. Albert waterline. He said that this task would have to be approached by going through the Public Utilities Board.

A previous attempt to solve the problem with the Local Authorities Board had not succeeded because that Board claimed it was not the proper body to deal with such a matter.

**IMPORTANT CHANGES  
EFFECTIVE JANUARY 1st, 1975**

# Your Canada Pension Plan

Here's good news... for CPP contributors—their surviving spouses and dependent children

Recent changes to the Canada Pension Plan will result in substantially increased benefits for 1975 and subsequent years. There are other important changes, too. Some affect people over 65 or approaching that age. Others provide equality for the spouses and dependent children of male and female contributors. These changes may require prompt action or getting advice. So we suggest you read this message very carefully.

## 1. Retirement Pensions Have you contributed to the Plan at any time since January 1, 1966?

Are you between 65 and 69?

Then you have a choice...

Apply now and start receiving your monthly CPP retirement pension. No more need to retire to collect benefits. (Once you start receiving your pension, however, you can't make further contributions to the Plan.)

OR

Continue to contribute to the CPP and possibly build up a larger retirement pension to commence at a later date.

Continuing to contribute is also a way to qualify survivors for benefits if you have not already done so. (When approaching age 70, you should consider applying for your retirement pension because after 70 you may no longer contribute to the Canada Pension Plan.)

**NOTE:** Before making your choice you may wish to seek advice from the nearest CPP office. The staff will be pleased to help you.

Are you approaching age 65?

If you have made your choice and want your CPP retirement pension to commence as early as possible, you should apply two or three months before your 65th birthday.

**NOTE:** There is no provision for retroactive payment of retirement pensions between the ages of 65 and 69. So if you're in that age group or approaching it, get advice as soon as possible.

Do you now receive a CPP retirement pension?

As of January 1st, 1975, your pension will no longer be affected by any money you earn thereafter.

## 2. Equal Protection for Males and Females.

This means that for female contributors, in addition to being eligible for a retirement pension and disability protection for themselves, and a death benefit payable to their estates, as has been the case in the past, their spouses and dependent children are now eligible for benefits as follows:

### Benefits for Surviving Spouses

A monthly pension payable to the widower who at the time of the death of the contributor is over 35 years of age, or under 35 years of age but is disabled or has dependent children; that is, a benefit similar to that which has always existed for widows.

### Benefits for Orphans

A monthly benefit payable to unmarried dependent children under 18 and to unmarried dependent children between 18 and 25 attending school or university on a full-time basis.

**In order for survivors to qualify, the contributor must have died in January 1968 or later and must have contributed for the minimum contributory period, which is three years for deaths occurring before January 1, 1975.**

### Benefits for Disabled Contributors

A monthly benefit payable to unmarried dependent children under 18 and to unmarried dependent children between 18 and 25 attending school or university on a full-time basis, where the contributor concerned is in receipt of a CPP Disability Pension.

**NOTE:** In all cases, it is necessary to make application for benefits. If such applications are approved, payments can only be made currently—that is, from January 1, 1975. No payment can be made for any period prior to that date.

### Other Changes:

The earnings ceiling—that is, the maximum amount on which contributions can be paid and on which benefits can be calculated—is being raised to \$7400 in 1975 and to \$8300 in 1976. The initial amount of earnings, on which you are not required to contribute, will be \$700 in 1975.

### MAXIMUM MONTHLY CPP BENEFITS Effective January 1975

Retirement Pension.....	\$122.50
Disability Pension.....	\$139.35
Surviving Spouse's Pension—under 65.....	\$88.31
over 65.....	\$81.67
Orphan's Benefit.....	\$37.27
Disabled Contributor's Child's Benefit	\$37.27
Death Benefit (Lump Sum)	\$740.00

# Calahoo & District News

By Liz McLeod  
The St. Catherine's Church Parish Turkey Bingo was well attended recently and while there were a lot of happy bingos this correspondent can say she made it twice, and then lost the

round in the playoff. Would-n't that send you. At least calling bingo twice was a step forward.

Anyway there were a lot of happy folks and the delicious lunch served afterwards compensated the losers also.

Here are the winners:  
Rita Letendre, Barry Bowen, Loretta Bowen, Perry Kolesar, Simone Letendre twice, Pauline Kolesar, Phyllis Rothwell twice, Bun O'Neill, Kristine Peters twice, Lloyd Majew, Theda

Verbeck, Aline Roddick, Laurette Kramps, Annette Primeau, Judy Dejarlis, Bill Moran and Lyle Quintal.

## BABIES IN THE NEWS

Calahoo and district are congratulating Norman and Judy Bergsteiner on the birth of their wee darling, Tracy Dawn, weighing 6 lbs. 13 oz. and born in Brockville.

Ontario hospital on August 17 while Norman's work kept them there all summer and fall.

Equally proud are Tracy's maternal grandparents, Mr. and Mrs. James Newman of Carrot River, Sask., and her paternal grandparents, Mr. and Mrs. Herbert Bergsteiner of Edmonton, Alta., formerly of Calahoo.

Wayne and Pauline Quintal of Calahoo were receiving congratulations on the birth of their daughter Jori Leigh, weighing 7 lbs. 6 1/2 oz. in Sturgeon General hospital last March 30. Her maternal grandparents are Hector and Cecile Majew of Rich Valley and paternal grandparents are Hector and Helen Quintal of Calahoo.

## Heinrich Eichner dies in accident

The Reverend R. Brownlie conducted funeral services for Mr. Heinrich Eichner at the Foster and McGarvey Chapel on Friday, December 20 at 4 p.m. Pallbearers were Pierre Mousseau, Baldevine Reichwein, Manfred Muchter, Klaus Schwandt, Dieter Schwandt and Ed Davis.

Following the service and cremation a reception was held at the home of Mr. Ed Davis in Edmonton.

A resident of Gibbons, Alberta, Mr. Eichner was the victim of a tragic traffic

accident on December 17, at the age of 52 years. He is survived by his wife Edith, two sons, Herbie and Matthew; three daughters, Barbara, Gabriel and Susan, all at home; and his mother, Mrs. Eichner, in Germany.

Mr. Eichner, a well-known Alberta sculptor, was born in Schweidnitz, Schlesien in East Germany on March 13, 1922, and came to Canada with his wife and family in 1959. They made their home in Edmonton prior to moving to Gibbons about three years ago. He worked at various jobs in order to support his family but his lifelong interest was in sculpture and he had works commissioned for a number of public buildings in Edmonton. Possibly the best known is the Zodiac in the Queen Elizabeth Planetarium. He also did the outdoor metal sculptures at St. Andrew's Church in Jasper Place and the three-storey mural at Royal Alex Place. At the time of his death he was working as a carpenter for Cana Construction.

Heinie, as he was known to a host of friends, was the mainstay behind Eichner Art Studio in Gibbons, which involved his wife Edith, an artist mainly interested in painting, who also did sculptures and his two sons and three daughters. He was interested in folk art in many forms and this interest also was transmitted to his family, so that products of the Eichner Studio reflected the contributions of all.

His untimely death came at a time when he was setting up a stone mosaic business with his two sons, aged 18 and 19 years, with the intention of making tables and other furniture.

His family will carry on with plans to move to a mountain property in B.C., and it is there that the remains of Heinrich Eichner will find their final resting place.

## Calahoo WI meeting draws good turnout

By Liz McLeod  
The Calahoo Women's Institute met in the form of a Christmas party, held in the Calahoo Church basement December 16, starting with a delicious turkey supper.

All members, except Mrs. F. Lischewski, were present as well as most of the husbands and seven children who immensely enjoyed togetherness and that card game which is always a source of fun and laughter.

Russell and Hazel Brown from Edmonton, brought their mother, Mrs. F. Madeline Brown now living in St. Albert, to this family affair.

We were also pleased to have a former neighbor, now living in Onaway, Mrs. Alice Warren.

Following supper a short meeting was held, with vice president Mrs. V. Berry in the chair. Following "The Creed," minutes and treasurer's report, a discussion was held on what to do about this history of the district and when should we get this material to the printers.

It was decided to hold a meeting in January and decide when and where. So to those of you who are planning to send your contribution to this book, (and we

do want your stories because we were Calahoo in the early days), please give this your earliest attention because this mustn't drag on much longer.

You can send your material to Mrs. Alary Dalheim, Box 262, Onaway, Alberta. TOE IVO and thanks so much for your co-operation.

Letters were read from Constituency convener, Mrs. A. C. Kritzing and Oslam where they are trying to send powdered eggs to the hungry nations.

The roll call of bring a home made ornament certainly brought out a lot of imagination and design: e.g. egg cartons, empty spoons, small relish jars, etc. even computer paper made into a door wreath, fantastic, and wrapped candy made into a wall hanging, amazing, and those who didn't comply paid the two bit fine.

Mrs. D. Alary Roddick won the door prize, a Christmas corsage, and it was nice to have her husband David among us. He is using crates now that his leg is in a cast.

We also gave a fellow member, Mrs. Margaret Douglas, a hearty vote of thanks for her contribution to this party which was enjoyed by all present.

Let us welcome our newest member, Mrs. F. Isabel Wheelner, a newcomer to the district who was unable to be present, but whose name was put into the hat to draw for next year's secret pals, because this practice is enjoyed by all the members. Gifts were opened and to our surprise our pal wasn't the one we thought we knew from the handwriting.

Mrs. V. Berry thanked her group for their kind thoughts and card while she was hospitalized.

The January 28 meeting will be held at Emma Dalheim's home in Spruce Grove starting at 1 p.m. and the roll call is: Bring used Christmas cards and Used stamps.

Visitors are always welcome.

## THANK YOU

### THANK YOU FRIENDS AND NEIGHBOURS

It is just not possible for me to find the words fit to express my thanks to all those many friends and neighbours who, at the time of sorrow and helplessness due to the tragic and so sudden loss of my dear husband Heim (Heinrich) Eichner, have comforted me and my five children in such a beautiful way.

Everybody has been so wonderful in showing us how deeply they really cared for my husband, and this has helped to ease our pain.

At such times of grief it is a relief to be surrounded by people who honestly care.

Due to the great turnout of people who came from Gibbons, St. Albert and Edmonton to the funeral, there was a parking problem, and I am sorry to hear that for this reason some of our dear friends had to miss part or all of the service, which was held at Foster McGarvey, Edmonton. I am very sorry for that.

Even though my husband was a humble and modest man, his deep-rooted philosophy and his special talent has made him friends all over the world wherever he went. He was the man who, if anyone would step on his toe, would apologize for having had his foot there in the first place.

The memorial service was done very tastefully and my husband's favourite tune "Almighty God We Praise Thy Strength" was played on the organ. This was the special song he himself used to sing and play on his antique foot organ whenever he was full of happiness. The verse is praising the strength and power of God and is an awe towards his creation and majesty. The entire ceremony was beautifully done and every part of it, and the exceptional sermon of the Reverend R. Brownlie made one feel as if he had known my husband a long time.

In his poetry he spoke of the wide skies and the great mountains, capturing the atmosphere of a world in which my husband lived all through his dreams. Now his dreams are close to coming through, but only for those he left behind. He had worked hard and without pause to secure this family a piece of land up in the Columbia mountains. A mountain stream with trout flows swiftly down our valley, and it is too bad that my husband did not live long enough to enjoy the fruits of his life with us. He has sacrificed a lot for us throughout his life, in order to realize this particular dream.

Just seven months before this fulfillment he has lost his life in a traffic accident, but his remains will go with us so we can put him to rest in the soil that he had chosen to live on.

When the time comes for us to move to the hills it will not be easy to part from the many wonderful friends we have found here. I know we will miss them and remember everyone in our hearts.

Again, I will repeat my thanks to all our friends. It was a great relief the way you all looked after us, and the list would be endless to name you all here. Also my thanks for all flowers and cards and a special appreciation for the donations made to "Amnesty International Canada, an organization not quite well known yet, and many people have asked about its work and purpose.

The donations sent to Amnesty International in care of A. Scheiber, secretary, 10160 - 115 Street, Edmonton, will be used in the international campaign work against torture and cruel or inhuman treatment which still, in spite of a resolution adopted by the General Assembly of the United Nations, is practiced today in at least 30 countries around the world.

## Never a dull moment

By Liz McLeod

There is never a dull moment in Calahoo. Another successful venture was realized Saturday, Dec. 14 from 2 to 4 p.m. when the West Sturgeon Ag. Society joined forces with the Calahoo Sports Association in planning and preparing a Children's Christmas party in the Calahoo Arena.

It was so heartwarming to see so many happy youngsters enjoying the treats and the films. These were, "The Old Lady that Swallowed a Fly," "John goes Lumbering," and "The Beaver Dam."

After this, Erwin Rothweiller and Sharon Anderson (who is visiting with her mother Fiete and cousin Elaine Quintal Majew) sang Christmas carols and hymns with the parents and children joining in.

Incidentally anyone may acquire a film or films from the National Film Board for use at their meetings, all you need is to get a projector, which Richard Finnigan loaned for this afternoon.

After all this beautiful music and singing the treat of treats was in store when Santa and Mrs. Claus came

in to hand out the stockings filled with treats and a toy for the 86 children present. Then eight more were taken to children who were unable to attend this wonderful party.

Certainly a big vote of thanks must go to everyone who planned and worked long hours so that this afternoon could become a reality. Thanks also go to the mom's and dad's who brought their children, because it was a thrill for them too, to watch those beaming faces. The prettily decorated Christmas tree added that perfect touch.

This really was the day Dec. 14 to cater to young Canada because after this wonderful afternoon, the teen group of Calahoo held their dance in the Calahoo Arena in the evening. The event proved that teen-agers are a very fine group of people, because they were having a wonderful time, very orderly, and with good music.

Over 200 young people attended the occasion with a concession booth open for their benefit.

Emile, Jake and Marcell, who were all in a grand time was had by all.

# LEGAL LOCALS

By Lucienne Montpetit  
I would like to wish all our Ukrainian friends a very Merry Christmas.

Mr. and Mrs. Allan Keane are happy to announce the engagement of their daughter Maymie to Michael O'Dwyer, son of Mr. and Mrs. Ari O'Dwyer from Drumheller.

## NICK OZIPKO PASSES

A former resident of Legal

district, Mr. Nick S. Ozipko, passed away at the age of 67 years on Dec. 24, 1974. He died after a lengthy illness. He lived in the Federal area until the early 1930's and then bought a quarter of land east of Legal. Some years later he bought more land north of Legal which he farmed until fall of 1973. He then retired and moved to Edmonton. He is survived by three brothers, Peter, Steve of Edmonton, Mike of

Coronado, one sister, Mrs. Katie Kuzik from Edmonton, one cousin and many nieces and nephews. Sincere condolences to the bereaved family.

Mr. and Mrs. William Hulyk are proud to announce the engagement of their daughter Betty to Ernest Laforce, son of Mr. and Mrs. Alberic Laforce. The couple will exchange marriage vows on July 12.

The teachers and students are to be commended for the beautiful and original Christmas posters that were put up in the business places, the school and the church. A tremendous amount of work was put into the making of the posters in order to make people aware and help them to recapture the true meaning of Christmas by bringing back Christ in our family and in our community during this special time of the year.

Mr. and Mrs. Harold Halls are receiving congratulations upon the arrival of their son Dean Norman born on Dec. 21 weighing 5 lbs. 12 oz. A brother for Dwayne and Joanne.

A packed gymnasium of parents, friends and relatives truly enjoyed the annual Christmas concert that was held on Dec. 19. The teachers and students did a terrific job again in practicing and organizing the variety concert that was most entertaining.

ounced the engagement of their daughter Doreen to Paul Provencal, son of Mr. and Mrs. Wilfrid Provencal from Vimy.

Mr. and Mrs. Rob Ramen have moved in their new home.

Mr. and Mrs. Francois Coulombe from Vancouver were visiting with Mr. and Mrs. Leon Prefontaine and Mr. and Mrs. Van de Walle recently.

Best wishes for a speedy recovery is extended to Mrs. Bolle who is a patient in the Sturgeon General Hospital.

## COURSES

Upholstery classes will be held at the Legal Rec. Centre. Mr. Joe Marsi from St. Albert Upholstery will be instructing.

There will be a pre-registration meeting on January 17 from 10 a.m. to 1 p.m. at the Rec. Centre. Everyone must attend this meeting and bring a piece of furniture (kitchen chair, occasional chair or small arm chair).

The remainder of classes will be held on February 10, 11 and 12 from 9 a.m. to 5 p.m.

Adult swimming lessons begin on Wednesday, Jan. 15. The bus will pick up at the Legal Confectionery at 7:45 p.m.

Creative dancing will begin at the end of February. For further information call Mrs. Sharon Veitch, 961-2399.

Registration for the stretch and sew course will be held at the home of Mrs. Lorraine Kremer on Jan. 15 at 7:30. The first lesson will be on Jan. 22. For further information call Lorraine at 961-3965 after 6 p.m.

## Legal CWL

By Mary Kachurowski  
The St. Emile's CWL of Legal held their regular meeting at the Rectory on Dec. 16 with 10 members present. The meeting opened with a prayer led by Father Bissonnette. Spiritual reading was done by Mary Quaghebeur, Secretary treasurer, Claire Yvonne Keane read the minutes and presented the financial report.

Mary Kachurowski presented the study program for this month, entitled "The Benefit of Faith." A most interesting discussion followed. We find these study programs very helpful and inspiring both morally and spiritually.

President, Madeline Cornelis, thanked the members for helping to sell the Religious Calendars. She also thanked all the ladies who attended the Christmas party at Vimy. It was a very nice get-together, thoroughly enjoyed by all; and our thanks go to the Vimy CWL Council for their wonderful hospitality.

Madeline then presented Father Bissonnette with a

gift on behalf of all the CWL members, as a token of appreciation for his thoughtfulness and kindness. Father Bissonnette expressed his heartfelt thanks and wished everyone a very Merry Christmas and that Christ be the centre of our lives.

The secretary read the correspondence, which included a Christmas message from Mona McGregor, president of the St. Paul Diocese, and a letter from the Sacred Heart Program asking for prayerful, moral and financial support.

It was decided that we continue to donate to the Sacred Heart program.

There was also a letter from the Children's Mission Stamp Bureau, requesting used postage stamps. Stamps, that would otherwise be thrown out, can be used to build a hospital or equip an operating room. So save all your stamps and help a worthy cause.

Meeting closed with a prayer.

On behalf of all the CWL members, a Happy New Year to all.

## NAMAO NEWS

By Norma Crozier  
Friends of Mr. and Mrs. Clayton Crozier are invited to attend a dance to be held in honour of their Silver Wedding Anniversary in the Hub at Namao on Friday, Jan. 24 at 8:30 p.m.

Congratulations to Mr. and Mrs. Lenard Crozier on the birth of a son, Jason Lee, on January 2, 1975 weighing 8 lbs. 3 oz. Also to grandparents Mr. and Mrs. Chesh-

er Crozier, their first grandchild and to Mrs. Louise Casavant of Edmonton. This is also a first great-grandchild for Mrs. Isabel Crozier.

Congratulations to Mr. and Mrs. Harold Gabbey on the birth of their first grandson to their daughter Bonny, Mr. and Mrs. Gilles Laur-deau on January 3rd. Steffan Harold weighed in at 8 lbs. 6 oz.

A large crowd ushered in the New Year in the Hub at Namao to the lively music of "The Playmates". At midnight everyone enjoyed the delicious lunch prepared by ladies of the Community League.

Sturgeon Valley Senior Hockey League games scheduled are as follows: Jan. 10 - 8 p.m., Bon Accord vs Namao in Gibbons; Jan. 12 - 2 p.m., Morinville vs Namao in Gibbons; Jan. 14 - 8 p.m., Villeneuve vs Namao in Gibbons; Jan. 21 - 8 p.m., Legal vs Namao in Gibbons. Get well wishes to the district go to Mr. Harold Gabbey and to Mr. Henry Hodgins.

The Namao Plus Sixty Club's birthday party on December 5 was a blaze of candles. Twenty-four members whose birthdays fell between May 1st and December 31st were there to celebrate. Bruce Porter, Archie Junkin and Ivan Kreller blew out the 24 candles and Gladys McIay cut the cake, to serve the 45 members present.

On Dec. 19 the two playschool classes went to the Chateau to entertain the Senior Citizens. Mrs. Lea Pelletier (matron) thanked the teachers for bringing the children and presented each of them a bag of Christmas goodies for which they were very grateful.

Then the group proceeded to the O'Meara Lodge and presented the same little concert to the residents there. The children were treated to a delicious lunch served by the staff which concluded a full morning for the little ones.

We would like to thank the matron at the Chateau and the staff at the O'Meara Lodge for their kindness towards the 25 little ones, also to the busy mothers that accepted so willingly to drive the children that morning.

## ARMANDINE SEGWIN DIES AT 98

Mrs. Armandine Marie Segwin a former resident of Legal, passed away at the Youville Home in St. Albert on January 1st at the age of 98 years.

She leaves to mourn one son Rudy, Seattle; two daughters, Mrs. (Anna) Baile Windsor, Ont., Mrs. Alice Wilson, Detroit; two daughters-in-law Mrs. Alice Segwin Edmonton and Mrs. Germaine Segwin, Seattle; eight grandchildren, 17 great-grandchildren, one sister Mrs. Mederise Segwin, Ottawa. Father Bissonnette celebrated the Requiem Mass at St. Emile's Church in Legal.

Sincere sympathies to the bereaved families.

Gerald Keane graduated from the RCMP training school on December 17 and is stationed in Leduc. Congratulations Gerald and good luck in your new endeavours.

Robert Chailouf and Wesley Derrien went on an unexpected trip during the Christmas holidays. The boys received a phone call asking them if they would be willing to play with the Gibbons hockey team for two games to be played in Spokane. Having dad and mom's consent the boys were on "cloud 9" going so far from home to play hockey. They all left on Dec. 27 to return Dec. 31.

Gibbons lost the first game, 3-0 and were also defeated in the second game by a score of 9-4 with Wesley scoring the four goals. The boys had an overwhelming trip and it was a wonderful experience for them and the team.

Mr. and Mrs. Paul Champagne are pleased to ann-

Saturday, December 21 proved to be a lucky day for Lionel Forcade Jr., seen with Mr. Marcel Dube. Cameron Veitch drew his name from the big drum making him the winner of a new 10 speed bicycle. The Board of Directors of Legal Savings and Credit Union would like to congratulate Lionel Jr. and also thank all the youngsters who took part in the contest.

# Jim Sharp honoured at MD Sturgeon party

Mr. Jim Sharp was honoured at the annual staff party of MD Sturgeon on Dec. 20 following his recent retirement as secretary of the Morinville Seed Cleaning Plant. Master of ceremonies, Reeve Bill Flynn called upon Allan McDonnell to do the honours.

"It was 35 years ago that

Jim Sharp joined the MD as fieldman, a position he held until Don England took over about 17 years ago," said Mr. McDonnell. He noted that Jim had also been quite active in the St. Albert Community League and was instrumental in the building of the first natural ice two-sheet curling rink in St.

Albert. He served also on the Agriculture Service Board for the MD and more recently as returning officer.

"After some 16 years of service as secretary of the Seed Cleaning Plant, Jim has come to the conclusion that with a new plant planned for next year, the project is too big for one getting up in years, and the secretary's job should go to a younger man," said Mr. McDonnell. "It is a pleasure to recognize many years of dedicated service by Mr. Sharp to this municipality, and behind every man's success is a good woman - I would like to ask Jim and Marie to come forward."

Betty Kaup, wife of the

vice-president of the Morinville Seed Cleaning Plant made the presentation of a gift of roses to Marie, after which Mr. McDonnell, saying he had known the Sharpes a long while, but never had the opportunity before, gave Marie a big kiss and congratulations.

The Morinville Board wanted to do something for Jim, said Mr. McDonnell, who was a very dedicated member and a real fine secretary, with everything done to the letter, and not ever did he put in a bill for all the extra hours of work he put in. We thought of a curling sweater, then of a kilt but keeping in mind our winters, we abandoned that idea. But we did

come up with a little gift - and we will miss you on the board. Mr. McDonnell added that at every meeting five minutes were put aside for Jim to tell a story.

Mr. Sharp was presented with a digital clock radio and it clearly came as a surprise to him. "I sure didn't know anything about this," he said. "and we thank you most sincerely - we are not leaving unannounced, so to speak. If I were to single out just one man, over my years connected with the MD it would be Alphonse Nobert - for what he knew and how he helped - right on!"

Mr. Flynn then pointed out that "we have school people here tonight also, and

introduced John McDonnell of Sturgeon School Division. He also introduced new councillor Henry Lamoureux, elected in October and Clay Crozier, also attending his first MD Christmas party. "Next year," said Mr. Flynn, "we will hear from Mrs. Mahbutt who has been keeping a record from 1954 of these annual parties."

In part they are held in appreciation for what everyone does throughout the year, and in part so that we can all get better acquainted. He wished everyone a happy evening and the compliments of the season.

Dancing continued and a delicious late supper was served.

## Horse Hill news

By Peggy Wenzel

The Horse Hill Community League's Winter Programs have been arranged as follows:

### CHILDREN

Pottery classes will begin Saturday, Jan. 11 from 9:30 - 12:30 in the kitchen at the school. For ages eight years and up.

## Alberta pioneer passes

On December 6, 1974, Mrs. Christie Jane Cameron, widow of Alexander Adam Cameron passed away at the age of 93 in the Royal Alexandra Hospital.

She was born on April 20, 1881 in Pictou County at East River St. Mary's, Nova Scotia where she grew up and received her education. She graduated from the Truro Normal School with a teacher's certificate and taught school for several years.

In 1903 she married Alexander Adam Cameron and they moved to Edmonton in May, 1906. They raised a family of five sons and one daughter, Alfred of Lethbridge, Lee of Vancouver, Donald of R.R. #2, St. Albert, Evan of Penitence, William of Ottawa and Mrs. George (Corinna) Rodger of Edmonton.

They lived for a number of years on a farm in the Quetz district, near Gibbons and on a farm north of Edmonton on 127 Street. When the family home in Edmonton at 10154 - 118 Street was sold in 1968, she spent some time with her

daughter Corinna and son Donald as well as at the Senior Citizens Lodge at Sylvan Lake and the last few months she resided at the Norwood Auxiliary Hospital. She was an active church worker and was always extremely interested in the development of Edmonton and Alberta.

She was predeceased by her husband in 1950 and her brother Evan Cameron of Alameda and her sister Mrs. G. R. Giles of Victoria. Besides her family she leaves 15 grandchildren, 22 great grandchildren and one great great grandchild as well as numerous nieces and nephews.

Funeral services were held at Foster and McGarvey Funeral Home on Dec. 10 at 10 a.m., with Rev. Harold Black officiating. Pallbearers were six of her grandsons, Stuart Cameron of Calgary, Sandy Cameron of Winnipeg, Bill Cameron of Vancouver, Dan Cameron of Edmonton, Bob Cameron of Regina and Bill Cameron of Edmonton.

Interment was in the family plot in the Edmonton Cemetery.

### STURGEON VALLEY SENIOR HOCKEY LEAGUE STANDINGS

	F	W	L	T	A	P
Villeneuve	7	4	2	1	25	25

## Good turnout enjoys Plus 60's party

By Hazel Martin  
The Namoo Plus Sixty Senior Citizens Club Christmas party was held in the Namoo Hall on Dec. 19 with 48 members and guests.

Cards, billiards and shuffleboard were enjoyed until 3 p.m. Then sleigh bells were heard in the vestibule. Bruce Porter went door to door and Doris Clapp played "Here Comes Santa Claus." Bruce returned to report that Santa Claus couldn't stay for the party. He introduced "Susie Snowflake" (Alice Kreller) and "Mrs. Santa Claus" (Hazel Martin). Santa's hel-

pers who did stay. Gifts from a gaily decorated box were distributed by calling birth-dates, and a hilarious half hour was spent opening "fun Gifts."

Bessie Craig led the carol singing accompanied on the piano by Doris Clapp.

Lunch was served from a buffet table with a Christmas centrepiece and cloth, and was prepared by Maude MacDonnell and Bessie Sam-

is. The food parcel was donated to Bissell Centre, and delivered by Harold Clapp.

# VIMY NEWS

By Darlene Provençal  
Mr. and Mrs. Henry Bern-  
ard were quite happy about  
spending an early Christmas  
with their daughter and  
son-in-law, Gene and Geri  
Kantor and their two chil-  
dren, Greg and Kim. They  
arrived in Vimy on Dec. 16 to  
spend an evening with the  
family prior to their trip on  
Dec. 17 from the Edmonton  
Airport to Sweden. The reason ... their son Greg,  
who plays hockey for the  
Jasper Bantams, will be  
playing, along with his  
team-mates, a total of 12  
games in different centres of  
Sweden, Denmark and Nor-  
way. A total of 78 people  
from Jasper, including 30  
hockey players, are on this  
Scandinavian hockey tour for  
17 days. Ten year old Kim  
spent her Christmas holidays  
here in Vimy with Grandma  
and Grandpa.

Sincere condolences to  
Mrs. Anne Anderson on the  
loss of her brother-in-law, in  
an auto accident the week  
before Christmas in Calgary.

The children of the Vimy  
School held a small Christ-  
mas concert for their parents  
on the last day of school. A  
special treat was the arrival  
of Santa. Thank you to the  
teachers for their time in  
organizing the afternoon.

Due to the terrific snow-  
storm we had before Christ-  
mas, the 4Hers had to  
cancel their Christmas party.  
They did, however, manage  
to hold it the morning of the  
24th and everyone had an  
exciting time.

Darcy, Val and Becky  
Baert, and Christine Joly,  
motored to MacKenzie, B.C.  
to spend a joyful Christmas  
with their parents, Rene and  
Helen Joly and Reggie. They  
report having a wonderful  
trip even though they left in  
some pretty adverse weather  
conditions.

Rick, Bev and Tammy  
Limoges motored to Calgary  
to spend their Christmas  
with Bev's folks, Mr. and  
Mrs. Batsch.

Rolly and Merle Fagnan  
and their little daughter  
travelled from Fort McMur-  
ray to spend Christmas  
holidays with their family  
and friends.

Mr. and Mrs. John Duss-  
cault were happy to have  
their son, Roland, come  
home for Christmas from  
R.M.C. Kingston, Ont. Also,  
congratulations to Johnny on  
winning two \$10 gift certi-  
ficates in Westlock.

Mr. and Mrs. Henry  
Ringette spent several days  
in Cold Lake visiting with  
their son, Raymond and his  
family. Raymond and his  
wife are receiving congrat-  
ulations on the arrival of  
twin girls.

Mike and Evelyn Hein and  
family from Grande Prairie,  
spent several days visiting  
with friends and relatives.  
On Christmas Day a family  
reunion was held at the home  
of Mr. and Mrs. Ed  
Sabourin.

Congratulations to Paul  
Provençal who announced his  
engagement at Christmas  
to Doreen Champagne, daugh-  
ter of Mr. and Mrs. Paul  
Champagne from Legal.

Mr. and Mrs. Harvey  
Shepherd, Diane Regner and  
Linda Mathews and boys, all  
from Calgary, and Mr. and  
Mrs. Norman Kitts and boys  
from Edmonton came to  
spend Christmas with Jim  
and Barb Henderson.

Speedy recovery is ex-  
tended to Mrs. Bernice  
Kowalczyk who is presently  
back in the hospital in  
Westlock.

The women in the Basic  
Sewing class have now  
completed their lessons and  
would like to thank their  
teacher, Lea Limoges, for a  
job well done.

Roy Cunningham has now  
gone to work in Inuvik for the  
winter months.

Dick and Gerie Despins  
motored to Sedgewick over  
the weekend between Chris-  
tmas and New Year's to  
visit her daughter Bernice  
and Garnet Wahlund and  
their family. On the way back  
they stopped in to visit her  
other daughter Rosalie and  
Bob Laun and family in  
Camrose.

Mr. and Mrs. Francois  
Landry were very pleased to  
have their children, Mim  
from Maillardville, B.C., Sr.  
Lucienne from Fahler, the  
Rozmahel's from Viking,  
Marcel and Jane Landry and  
family from St. Paul, the  
Stack's from Edmonton, the  
John Landry's from St.  
Albert, and the Rick Landry  
family, all visit with them

over the holidays.

On Dec. 31, New Year's  
Eve, the community hall was  
packed with people wishing  
to ring in the new year. A  
wonderful time was had by  
all, dancing to the music of  
the Evening Sound, and at  
midnight many good wishes  
were exchanged. The draw  
for the Texas Mickey was  
made with Chris Thomas of  
Clyde winning. The half-gal-  
lon was won by Walter Hess,  
also of Clyde. Thank you to  
everyone else who bought  
tickets, and, better luck next  
time.

Moe and Anne Provençal  
and family from Peace River,  
and Roland and Judy Pro-  
vençal and family from Rocky  
Mountain House, spent sev-  
eral days in the area. On New  
Year's Day the family of 30  
gathered together at the

home of Len and Darlene  
Provençal. Sr. Gabrielle For-  
tier of Edmonton also joined  
the family reunion.

My brother and his wife,  
Irene and Rose Balle, drop-  
ped in to say goodbye prior to  
their month long holiday  
down to Mexico and back.

Mrs. Yvonne St. Arnaud  
and girls arrived in Vimy,  
New Year's Day after spend-  
ing a year in Tehran, Iran.  
Bill will be returning in  
February. He will be contin-  
uing his job in Iran by  
working there for six weeks,  
then flying home for three.  
Welcome back.

To all the residents and to  
all the staff of this newspa-  
per, I would like to extend  
my best wishes for a very  
prosperous and Happy New  
Year.

## Rash of problems for Morinville

Mayor Art Stapleton of  
Morinville expressed his  
concern this week over a  
number of problems which  
have beset the town.

With the coming of the  
snow and the coming and  
going of Christmas, Christ-  
mas lights in the town have  
been disappearing, the result  
of vandalism, and snowmo-  
biles, the mayor claimed,  
have been running wild. Added to that, a number of  
dogs in the town have also  
gone into the act, spilling  
garbage and making them-

selves a nuisance to the  
public.

On a more serious note,  
the town has also lost one of  
its councillors Vince Curtis,  
who died suddenly over the  
holiday and this has in-  
creased the work load of  
council and the mayor.

Concerning the dog prob-  
lem, Mayor Stapleton point-  
ed out that the dogs which  
are causing the trouble are  
large animals and some may  
belong to newcomers to the  
town from the city.

Under the town's dog

bylaw, all animals which do  
not have a Morinville tag, or  
which are caught running at  
large can be impounded. Ideally  
all dogs should be kept on a  
leash or in an enclosure other-  
wise they can be kept by the  
town for 36 hours; if they are not  
claimed during this period, they  
are tranquilized and then dis-  
posed of.

Under the Off-Highway  
Vehicle Act RCMP have the  
authority to crack down on  
snowmobilers who disregard  
the Act by operating their

vehicles between 11 p.m.  
and 7 a.m. in the town and  
also disregard the fact that  
larger vehicles have the right  
of way. Apparently snowmo-  
bilers have also been paying  
little attention to a regulation  
that they can use lanes on to  
the highway provided that  
these are the shortest way  
out of town. Snowmobilers  
are also free to operate their  
vehicles unrestrictedly in an  
emergency.

## Brian Pearse & Fire Injun

By Norma Crozier

Brian Pearse has been  
showing a six year old  
Leopard Appaloosa Mare  
named "Fire Injun." She  
was purchased May 20, 1974.  
Entering her in the Namoos  
show, Brian did well in

Western Pleasure and West-  
ern Equitation. He also com-  
peted in three other Appa-  
loosa shows and the Show of  
Champions for all of Alberta,  
winning a total of 45 ribbons  
and four trophies.

At the West Yellowhead

Appaloosa Club banquet  
held recently, he was pre-  
sented with a picture of Fire  
Injun by the previous owner,  
and a trophy by Gordon  
Rowley, Canadian National  
Appaloosa Secretary. This  
trophy was the Hi Point  
Youth Award given by the  
Appaloosa Horse Club of  
Canada.

Brian belongs to the  
Namoos 4H Light Horse Club

and did well this year with  
his horse "Coke."

Darren Pearse, Brian's  
younger brother, has an  
Appaloosa Yearling filly  
"Spot Luck" Abilene, also  
proving to be a winner.  
Placing second in the 4H  
show she went on to place  
first for yearlings in the  
Regionals and won second in  
the Show of Champions at  
Assure Acres.

Brian Pearse with his beautiful Appaloosa Mare, Fire Injun.

### For Sale By Tender

The Municipal District of Sturgeon #90 has for sale  
approximately 500 square feet of metal sheeting that  
was removed from the roof of the Public Works Shop.  
Tenders will be received by the undersigned on or prior  
to January 17, 1975. Highest or any tender not  
necessarily accepted.

Robert Stack,  
Superintendent of Public Works,  
Municipal District of Sturgeon #90,  
Morinville, Alberta.

# GIBBONS NEWS

By Shirley Steinwand  
Congratulations to Mr. and Mrs. Don Rowsewell on the birth of their son, Kenneth James, born Nov. 19, 6 lbs., a brother for Donald.

The Gibbons Girl Guides would like to take this

opportunity to thank each and everyone for donating to the memorial fund on behalf of Cathy Chipehar.

Thank you Walter and Annie for your great thoughtfulness.

Gibbons 1st Girl Guide Co.

## Gibbons guides have busy time

We have had a busy time during our first four months of Guides. The girls went on some hikes and 15 girls passed their naturalist's badge, thanks to Pat Briggs.

October 23 seven girls flew up from brownies. The guides welcomed Heather Hood, Lindy Mabbutt, Colleen McLean, Sandra Kennedy, Jackie Pyska, Deliah Winfield, Jo-Ann Christie, Many thanks to Mrs. Yvonne Mabbutt for decorating such a beautiful cake.

Nov. 5, the 1st Smoky Lake Company came to visit our meeting. We had Peggy Williams take inspection. Evelyn Fraser brought some of her treasures to show the girls and gave a short talk on how she got started in guiding and how much she really enjoys it and hopes the girls carry on as they get older. Thanks to Peggy and Evelyn for helping out. Mrs. Yvonne Mabbutt decorated the cake with Welcome Smoky Lake. "Thanks Yvonne."

On Nov. 11 the girls marched in the parade. Thanks to the Legion for asking us and for the lovely lunch.

## New secretary treasurer

Maisie Metruene, 26, formerly of Kilmory, is the new secretary treasurer for the Village of Gibbons.

Mrs. Metruene's appointment was effective Dec. 1st last year and she takes over the spot from Earl Yeo who

resigned, Dec. 1st.

Mrs. Metruene is a former employee of the Alberta Government and this is her first job as a secretary treasurer.

She now lives in Gibbons with her husband Dave.

## Club hold Christmas party

By Carol Salahub  
December 15 the Gibbons 4th Light Horse Club held their club Christmas party at the Hood residence.

All members enjoyed skating, playing games and exchanged gifts.

A meeting was held and it

was decided to hold all future meetings at the Gibbons Sunday School.

Our meeting ended with a delicious lunch served by Mrs. Hood.

The next meeting will be held at the Sunday School on January 9th.

## Thank you

We would like to take this opportunity to thank each and everyone for donating to the Memorial Fund on behalf of Cathy Chipehar.

Thank you Walter and Annie for your great thoughtfulness.

From the Gibbons Girl Guides.

## GIBBONS HOCKEY TEAM VISITS UNITED STATES

In October, 1974, a group of young boys aged 11 and 12 years approached Neil MacLean of Gibbons requesting he coach their hockey club this winter.

Acting on this, Neil held several parent, son meetings which were more informative than successful. The reason being that the type of club Mr. MacLean had wanted to form would involve considerable sums of money. The money would be used in supplying the club with uniforms, medical plans, team

doctors, travel expenses, etc. The meetings held were tabled for further discussion. In the latter part of October, a very fine gentleman from Gibbons, Gary Cuthbert approached Neil, and told him he was extremely interested.

Mr. Cuthbert became manager, Mr. MacLean coach. Both invested \$1,000 in the formation of the Northern Lights Hockey Club. The name was registered and the club formed into a company. Uniforms were purchased, a medical plan for each boy, \$5,000 medical, \$5,000 life and dismemberment, \$500 dental. Dr. Neil Cuthbertson,

well known in professional hockey, gave the boys medicals and will act as team doctor. The team was registered with C.A.H.A. and classified as PeeWee Double B.

This team left Gibbons at 10 a.m., Dec. 27 for a hockey tournament against U.S.A. teams in Spokane, Washington on Dec. 29 and 30, 1974.

Sincere sympathy of the community goes to Mrs. Edith E'chner and family on the loss of their husband and father in a motor vehicle accident.

Mr. and Mrs. Pat Sprague

and family of Fort Nelson, B.C. were among the many people visiting friends and relatives over the holidays.

Don't forget the annual Gibbons Community Centre meeting which will be held on Jan. 25, Twenty-five per cent of the population must show up to make it a legal annual meeting.

Come on folks, show a little interest in the Community Hall.

A belated happy birthday to Wilfred Oliver who celebrated his 75th birthday on Dec. 26, 1974. Many happy returns, Wilf.

## Violence and vandalism a problem for Gibbons

Residents in the village of Gibbons are becoming increasingly concerned at the rising tide of vandalism and violence in that community.

There are reports that an elderly woman was attacked and robbed by one group of young vandals recently as she walked home in the dark, also that a blue car was painted red by vandals. There have also been reports of rowdyism and vandalism during hockey games at the Gibbons arena.

A spokesman for the arena

said this week that some urinals had been torn off the arena wall during one hockey game. Plumbing was damaged as a result and the washrooms at the arena were flooded.

Cars have also had their windscreens smashed while their owners attended hockey in the arena.

The spokesman said that if RCMP "drove into Gibbons with a plain car it might be the quietest town in Alberta."

He said that the violence

was too much for the caretaker of the arena to handle and that when the RCMP get there (the trouble) is all over.

A spokesman for the RCMP in Morinville said that several patrols are made to Gibbons from Morinville each day, but he was not specific about the number or the exact timing.

He pointed out that Gibbons is too small with a population of 790 to qualify for its own detachment of RCMP; it would have to

reach 1,500 before having its own detachment. The spokesman added that he doubted very much whether it would make much difference if Gibbons did have its own detachment. Even when a community has the advantage of having its own detachment, there are still problems he added, referring to the town of Morinville.

RCMP at the Morinville detachment admitted that there had been a vandalism problem in Gibbons, "but it has been brought to a halt."

## Last roundup

gifts. There was an hour of visiting until everyone arrived. Everyone then settled down to a few games of bingo.

This was followed by carol singing. While all this was going on bowls of Japanese Oranges were set out on the tables. These were donated by Sheila Crosbie. The

lunch table fairly groaned with the bountiful supply of food. Everyone brings their own, and it is all "pooled."

Following lunch we had the Gibbons childrens tap dancing class. These children take lessons with the Marion Nicholson School of Dancing. They gave a wonderful performance and it

was much enjoyed. Our thanks to the mothers who came to help the children. Orange drink and cookies were served to the children. Eula gave the children and mothers a vote of thanks followed by hearty applause.

Before the gifts were given out, Sheila announced that the Gibbons Playschool had extended an invitation to the Senior Citizens to attend their Christmas party. This is to be held in the Gibbons Community Hall on Thursday, Dec. 19 from 9:30 to 11:30 a.m.

Everyone received a gift from the tree. All went home tired but happy.

On behalf of the Gibbons Senior Citizens, we wish all a Merry Christmas and a Happy New Year.

Next meeting will be held Jan. 9, 1975, same time; same place.

## Gibbons Senior Citizen's lodge nearing construction stage

Work may begin this spring on a 44 unit senior citizens lodge in Gibbons.

A seven and a half acre site has been set aside for the re-projected unit in a new subdivision in the community.

A spokesman for the Alberta Housing Corporation, project manager Tim Cranfield said Monday that the lodge would come under the 1975 construction program but it would be too early yet to give a specific day for the sod-turning. He felt that work on the project could begin spring or early summer.

Another spokesman for the

AHC said that even though the lodge had not yet reached the planning stage a meeting should take place with the Gibbons Foundation by early February when actual planning might begin. The Foundation is expected to have full discretion as to the distribution between single and double rooms in the lodge. If the lodge follows the regular pattern it will be about 15-16,000 square feet. It is pointed out that the Foundation might save both time and money if they choose one of the existing plans used in other units.

Now that there is a site for

development of the project Mr. Cranfield said that it will have to be looked at by "four appraisal and land people."

Since it seems that all systems are go, the spokesman also added that the project could be completed by early next year.

## NOTICE

OF PREPARATION OR ASSESSMENT ROLL 1975

VILLAGE OF GIBBONS  
PROVINCE OF ALBERTA

Notice is hereby given that the assessment roll of the said municipality, made under the provisions of the Municipal Taxation Act Chapter 54, has been prepared and will, for thirty (30) days, be open to inspection at the office of the secretary-treasurer of the municipality during business hours and that any person who desires to object to the entry of his name or that of any other person upon the said roll or to the assessed value placed upon any property must, within thirty (30) days from the date of this notice, lodge his complaint(s) in writing with the secretary-treasurer of the municipality.

Dated this 31st day of December, 1974.

# MORINVILLE MEMOS

By Marilyn Pelletier  
Notice to all readers that effective January 1, 1975, the Gazette will no longer be paid for by the Town of Morinville. Therefore, if you would like to receive the paper, you may do so by paying the paper by a dime upon delivery every Wednesday afternoon.

The Morinville Board of Trade results from the Christmas Decorating Contest are as follows: Residential; the first prize of \$20 was won by Mr. Paul Fournier. Mr. Len Gibeault was the winner of the \$10 second prize. Honorable mention goes to the Martin Sommers residence. Commercial entries were first prize St. Jean Baptiste Church and Rectory. The Morinville Fire Hall took second place. The prizes for commercial entries were the same as residential.

Mr. and Mrs. R. Ancil

and family spent Christmas holidays with relatives and friends in Medley, Alberta.

Mr. and Mrs. Dennis Chalfoux and son were in Fort St. John for Christmas. On their return Mrs. Chalfoux's dad and mom, Mr. and Mrs. Walter Pettie and son Robert from Delta, B.C., accompanied them to Morinville to spend New Year's.

Mr. and Mrs. Marvin Thibault and sons spent Christmas in Deadwood, with Marvin's family.

Mr. and Mrs. H. Currie from Whonnock, B.C., were recent guests of Mr. and Mrs. Bruce Campbell and family.

Mr. and Mrs. George Flinger and family spent the holidays in Saskatoon, Sask.

Iris Mason from Winnipeg Manitoba spent Christmas

with Mr. and Mrs. Harold Graham and family.

Registrations is now open until the second week for any parents wishing to enroll their daughters in Brownies. For information contact Mrs. J. Clarke 939-4256.

A couple of reminders to all concerned, the Agricultural Monthly meeting is on Wednesday night at 8 p.m. in the Cunningham School.

Monthly Local Recreation Board meeting is to be held on Thursday evening.

The Morinville Legion has a games night coming up on January 11, 1975 commencing at 8 p.m. There will be something for everyone such as darts, cards, dancing to tapes. Make an evening of it, come out and support your local Legion.

Mr. and Mrs. John Balsille have just returned home after spending two weeks holidays in Yellowknife. Marty Ann reports it was very cold with five feet of snow and temperatures around 40 below.

The Senior Citizens tea, bazaar and bake sale was a success, with a good crowd turning out at the Clubhouse. Many thanks to all who helped and who contributed to the bake sale and bazaar, and those who gave cash donations. Mrs. Rose Martell was the winner of the doll. The Senior Citizens handmade quilt will be raffled at the Valentine Party, Feb. 14 at 8 p.m. at the Clubhouse.

Dorothy Daignault is leaving on a three weeks tour

with her two sisters from Edmonton. Mrs. Alice Hamenych and Mrs. Fern Jordan. Points of interest will be the Ford Plant in Detroit, the Grand O'Pry, Nashville, Tampa, Miami, Key West, Nassau and New York.

Mrs. Hermine Houle is spending a few days with her daughters in Edmonton.

Dorothy Daignault spent Christmas in Edmonton with her daughters Cecile and Alice.

Mr. and Mrs. Anthony Van Brabant motored to Rimbye, Alta., to spend Christmas with relatives.

Confirmation of a rumor. Anne Par-T-Kitchen has been sold to a doctor from the Associate Medical Clinic.

We understand a new clinic will be started on that site. Anne's will continue to be open for business until January 22 inclusive.

The New Year's Bash at the Legion was a howling success. All tickets were sold. A delicious buffet was prepared and served by Legion members.

Legion members and family during this year went out calling. They were approximately 60 persons on the float which toured the town. A special thanks goes out to Mr. Tom Houle who provided the transportation.

Miss Irma Drumm from Calgary a recent guest at the home of Mr. and Mrs. M. Pelletier for a week during the holidays.

## Search for talent coming to Morinville

Entries will be accepted in the following competitions for the Associated Canadian Travellers - CFRN Search for Talent Show coming to Morinville. More details on the show will be forthcoming next week. JUNIOR (Canada Safeway Ltd.): For performers age 8-12 inclusive, encompassing all areas of performing arts. Contestants of junior age may compete in the other categories as a member of a group.

VARIETY (Acme Amusement Ltd.): Performers featuring presentations instrumental and vocal, that include folk songs, ballads, western, modern and pop, "soul music," religious sel-

ections, semi-classics. Lack of formal tuition need not be a factor.

SHOWMANSHIP (Northwestern Utilities Ltd.): Performances involving individual or group performers exhibiting style and colorful stage presentation. Lack of formal tuition need not be a factor.

SUNWAPTA (CFRN Radio) - Advanced performers competing for Sunwapta Scholarships and Awards to further studies of chosen field. These may include instrumental, vocal, speech arts, dramatics, dancing (ballet, tap, etc.) and serious novelty presentations.

### ADDED INCENTIVES:

Winners and promising performers in the Junior Category may be selected by CFRN-TV to appear on Kiddies on Camera Broadcasts.

Winners and promising performers in the Variety and Showmanship Categories may be contracted to perform in Edmonton during 1975 Klondike Days. Canada Safeway are offering \$300 worth of bursaries to finalists in the Junior Category.

The Sunwapta Competition has been broadened to include performers pursuing other forms of entertainment conducive with modern trends.

**ALL TICKETS BROUGHT IN UP TO JAN 15, WILL EARN YOU INTEREST FROM JAN 2nd.\***

Funds must be left on deposit in a savings account for 90 days to be eligible for this back-dated interest.

**GRAIN TICKET**

11103 00 183281 7 244114 19174 00484

### Thank You

Words cannot express our thanks and appreciation to all the relatives, friends, and neighbours for their acts of kindness, flowers, cards, love and support since the loss of Vince, our beloved husband, father, and grandfather. A very special thank you to Rev. G. H. Primeau and all who participated in the services, and to the medical and nursing staff of Sturgeon General Hospital.

Dorothy, Sheila, Terry, Allan, Eileen.

### Camilla 4H news

By Tammy Brenneis  
Thank you to everyone who supported our raffie, it proved to be very successful. Congratulations to the lucky winners, who were Al Christen, winning the food hamper, and J. Fridezon won the radio.

It should be an exciting afternoon on Jan. 18 the day we decided to go to the Ice Capades.

January 13 is the next meeting and we have no time to waste because before long it will be our Achievement Day.

### Correction

In a Christmas issue story headed "Morinville stays with regional recreation" the Gazette inadvertently reported that a special in-camera meeting of Morinville council took place December 11. This should have read December 12. Also the delegation from Sturgeon Regional Recreation met with council December 10, not December 11 as reported in the story.

## Your hard year's work deserves our safe keeping.

You've made the deliveries. You've got your grain tickets. And, what are you doing with them? Have you tucked those hard-earned cheques "safely" around the house somewhere? Well, here's a safer and better place. Put them in the guaranteed security of a Scotiabank vault.

If you bring your grain tickets to Scotiabank now, we'll take care of them for you, free, until January 2nd. Then, your Scotiabank manager will automatically open an account for you and start paying the best possible interest into it right away. Your Scotiabank manager will be happy to talk to you any time about your present finances or, if you want to think ahead, he'll tell you about the many ways Scotia Farm Services can help you all year long.

Scotiabank. The best place to make your money grow.

# Report From Bon Accord

By Sadie Allen

Adult swimming is being offered, with classes to begin on Wednesday, Jan. 15 at 8:30 p.m. The cost is \$12. in Bon Accord. Anyone interested is asked to call which includes busing. The bus will pick up participants

Pauline at 921-3625 to pre-register. Please be prepared to give the class you are qualified for, e.g., beginner, junior etc.

An AMA Driving Training course is planned for the New Year. At least eight people are required. Anyone interested in taking the course may phone Doris Carleton at 921-3686 or Pauline Mansfield at 921-3625.

A reminder of the annual meeting of the Bon Accord and district Agricultural Society which is slated for Jan. 13 in the Bon Accord Community Centre.

Craft classes began on January 8 with flower arranging, instructor Mrs. L. Coleman and basic stretch and sew by Mrs. Emery.

Children's gymnastics is also being offered. For information or registration call Pauline Mansfield 921-3625 or June Serediak 921-3589.

## BROWNIES AND GUIDES ENROLL

The enrollment of 15 brownies and nine guides took place in front of a large group of parents on Monday, Dec. 16. After the flag ceremony, a surprise presentation of her Brown Owl pin was made to Mrs. Cathie Meyers by District Commissioner Mrs. Donna Goringe. The Twenties were enrolled as new brownies by Brown Owl Mrs. Meyers assisted by Tawny Owl Mrs. Maureen New and helper Wendy Lewis. Each girl lit a candle shaped as mushrooms or owls which was made by Mrs. Meyers and presented by her to keep as a memento. New Brownies are Carol Bjerke, Chantel Campbell, Kelly Chopp, Andralee Daum, Margaret Kovalchuk, Lianna Kulay, Tricia McKenzie, Patty Milligan, Tracy Pederson, Nancy Pomholt, Linda Roemer, Dawn Samis, Tracy Spencer, Shirley Webster and Helena West. A special mother and daughter enrollment was held with Mrs. Karen Webster enrolled as guide 2nd Lieut. and Kelly Webster as a guide. Also enrolled were Lorelei Donoghue, Michele Fisher, Linda Kushak, Sandra Lehman, Sherry Pomholt, Bev Anderson, Bev Tomlinson and Susan Pederson. The guides served coffee, being tested for their hostess and baker's badges by Mrs. Jennie Malanachen. The brownies entertained their guests with two puppet shows and were tested for their puppeteer badges by Mrs. Connie Lewis. A special guest for the occasion was Namao District Commissioner Mrs. Elaine Segin.

The Grocery Hamper raffled by the Parents' Association for Cubs and Scouts was won by L. Holden of Edmonton. A special thank you is extended to all parents for their support in recent fund raising activities. Cubs and Scouts will hold a rag and bottle drive on Jan. 11 from 10:30 a.m. Please give them your support. Rags of every kind are acceptable.

## MARKET GARDEN COURSE

A short course for market gardeners is being planned by the Alberta Agricultural Horticultural Branch in cooperation with the Horticulture Research Centre at Brooks on Jan. 22 and 23 in Edmonton. Intended mainly for beginner and novice gardeners, the course will cover a complete range of production-related products, as well as storage, grading, quality, pricing, marketing, growers' organization and other matters. Anyone wishing to attend should pre-register by contacting Ralph Trimmer of the Horticultural Branch, Edmonton.

With the first seed catalogue of 1975 already received, everyone is reminded that the Bon Accord and district Agricultural Society will be sponsoring Market Days again this year. When writing out your order for the coming season, add extra seeds and make yourself some pin money. There was great demand for peas, beans and cucumbers and of course early potatoes were a favorite.

Brownies held their Christmas party at the Community Centre on Jan. 23. The girls enjoyed an evening of games topped off with hot dogs and hot chocolate.

Get well wishes are extended to Mrs. Ed Hancock in the Royal Alex.

Sympathy of the district is extended to Irwin and Art Strawson and families in the loss of their father Mr. Walter Strawson at Chilliwach, to the Les Moore family in the loss of Les's mother and to the family of Mr. Nick Ozipko.

Holy Trinity Anglican Church are sponsoring a dine and dance in the Bon Accord Community Centre on Jan. 17 with cocktails at 6:30, dinner at 7:30 and dancing to the Serink Combo from 9-1. Tickets are going at \$10, per couple and may be purchased from Doreen Hewitt, 921-3581, Linda Bland, 921-2374 or Bill Carleton, 921-3686.

#524 Cadet Squadron will hold a Pic Shoot on Jan. 12 from 1-6 at the Bon Accord Community Centre.

Regular bingos resume on Jan. 12 at 7:30. The jackpot for this week is \$325 in 55 numbers.

Bon Accord Wildcats challenged three points over the weekend with a win over Gibbons and a 1-1 tie with Villeneuve. With the lights in and a good sheet of ice the arena is the scene of great activity with teams scrambling to catch up on games missed in the regular schedule. Both midgets and bantams bowed out to Redwater in weekend games, peewees lost out to Vimy in a game at Vimy and the Oldtimers copped off a win from Woodward's. Coming up on Friday, Jan. 10 at the arena, Oldtimers will square off against the midgets.

11:30	11:55	12:03	L	12:20	12:38

The bus service is basically an hourly service. Buses from Edmonton connect, except late in the evening at the busy hour station to provide service to both the areas East and West of the Highway. The St. Albert East bus continues North to Lacombe Park and returns via St. Anne/Perron, then to the station and then to Edmonton. The St. Albert West bus goes to Lacombe Park, returns to St. Anne/Perron, makes a trip through Grandin Park back to St. Anne/Perron, then to the St. Albert East to the bus station where it connects with the bus to Edmonton.

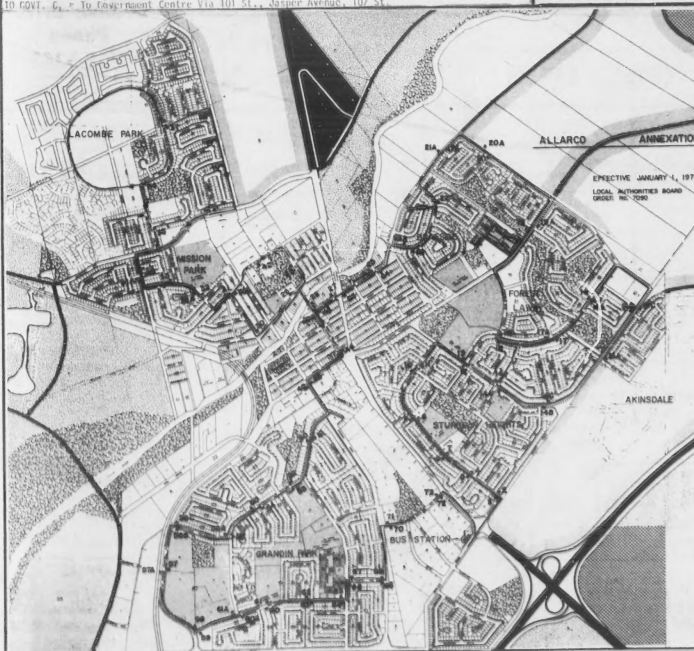

For local trips, there is a transfer point at St. Anne/Perron. For example, from St. Albert West to Lacombe Park (or the Hospital) or from St. Albert East to the Shopping Centre, the Clubhouse or St. Albert West or from Lacombe Park to St. Albert East. Try the bus for your local trips.

NO SERVICE ON SUNDAYS OR STATUTORY HOLIDAYS.

**WATCH TALK TRANSIT AN OPEN LINE**
